Section 1 Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

On April 18, 2016, The GEO Group, Inc. (the "Company" or "GEO") completed the previously announced issuance of \$350.0 million aggregate principal amount of 6.00% Senior Notes due 2026 (the "Notes") in a registered offering pursuant to an underwriting agreement, dated as of April 11, 2016 (the "Underwriting Agreement") among GEO, certain of GEO's domestic subsidiaries, as guarantors (the "Guarantors") and Wells Fargo Securities, LLC, as representative for the underwriters named therein. The Notes were issued by GEO pursuant to the Indenture, dated as of September 25, 2014 (the "Base Indenture"), by and between GEO and Wells Fargo Bank, National Association, as trustee (the "Trustee"), as supplemented by a Second Supplemental Indenture, dated as of April 18, 2016 (the "Second Supplemental Indenture" and together with the Base Indenture, the "Indenture"), by and among GEO, the Guarantors and the Trustee which governs the terms of the Notes. The sale of the Notes was registered under GEO's registration statement on Form S-3 filed on September 12, 2014, as amended (File No. 333-198729).

The Notes were issued at a coupon rate and yield to maturity of 6.00%. Interest on the Notes will be payable semi-annually in cash in arrears on April 15 and October 15, beginning October 15, 2016. The Notes mature on April 15, 2026.

Up to 35% of the aggregate principal amount of the Notes may be redeemed on or prior to April 15, 2019, with the net cash proceeds from certain equity offerings at a redemption price equal to 106.000% of their principal amount, plus accrued and unpaid interest, if any, to the redemption date.

In addition, GEO may, at its option, redeem the Notes in whole or in part before April 15, 2021 at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus a "make-whole" premium, together with accrued and unpaid interest, if any, to the redemption date.

On or after April 15, 2021, GEO may, at its option, redeem all or part of the Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the 12-month period beginning on April 15 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2021	103.000%
2022	102.000%
2023	101.000%
2024 and thereafter	100.000%

If there is a "change of control" (as defined in the Indenture), holders of the Notes will have the right to cause GEO to repurchase their Notes at a price equal to 101% of the principal amount of the Notes repurchased plus accrued and unpaid interest, if any, to the purchase date.

The Notes are guaranteed on a senior unsecured basis by the Guarantors. The Notes and the guarantees are unsecured, unsubordinated obligations of GEO and the Guarantors. The Notes rank equally in right of payment with any unsecured, unsubordinated indebtedness of GEO and the Guarantors, including GEO's 5.875% Senior Notes due 2022, the 5.125% Senior Notes due 2023 and the 5.875% Senior Notes due 2024, and the guarantors' guarantees thereof, senior in right of payment to any future indebtedness of GEO and the Guarantors that is expressly subordinated to the Notes and the guarantees, effectively junior to any secured indebtedness of GEO and the Guarantors, including indebtedness under GEO's Second

Amended and Restated Credit Agreement, dated as of August 27, 2014, by and among GEO, GEO Corrections Holdings, Inc., BNP Paribas, as Administrative Agent, BNP Paribas Securities Corp., as Lead Arranger, and the lenders who are, or may from time to time become, a party thereto (“Credit Agreement”), to the extent of the value of the assets securing such indebtedness, and structurally junior to all obligations of GEO’s subsidiaries that are not Guarantors, including trade payables.

The Indenture contains covenants which, among other things, limit the ability of GEO and its “restricted subsidiaries” (as defined in the Indenture) to incur additional indebtedness or issue preferred stock, make dividend payments or other restricted payments (other than the payment of dividends or other distributions, or any other actions necessary to maintain GEO’s status as a real estate investment trust), create liens, sell assets, engage in sale and lease back transactions, create or permit restrictions on the ability of the restricted subsidiaries to pay dividends or make other distributions to GEO, enter into transactions with affiliates, and enter into mergers, consolidations or sales of all or substantially all of their assets. These covenants are subject to a number of limitations and exceptions as set forth in the Indenture.

The Indenture also contains events of default with respect to, among other things, the following: failure by GEO to pay interest on the Notes when due, which failure continues for 30 days; failure by GEO to pay the principal of, or premium, if any, on, the Notes when due; failure by GEO or any of its restricted subsidiaries to comply with their obligations to offer to repurchase the Notes at the option of the holders of the Notes upon a change of control, to offer to redeem the Notes under certain circumstances in connection with asset sales with “excess proceeds” (as defined in the Indenture) in excess of \$50.0 million or to observe certain restrictions on mergers, consolidations and sales of substantially all of their assets; the failure by GEO or any Guarantor to comply with any of the other agreements in the Indenture, which failure continues for 60 days after notice; and certain events of bankruptcy or insolvency of GEO or a restricted subsidiary that is a significant subsidiary or any group of restricted subsidiaries that together would constitute a significant subsidiary.

GEO used a portion of the proceeds from the offering of the Notes to fund the payment for tendered and accepted notes in GEO’s tender offer to purchase any and all of its outstanding 6.625% senior notes due 2021 (the “6.625% Senior Notes”). GEO intends to use the remaining proceeds to redeem or otherwise discharge the remaining 6.625% Senior Notes that were not tendered pursuant to the tender offer, pay related fees, costs and expenses and for general corporate purposes, including repaying borrowings under the Company’s revolving credit facility. Certain of the underwriters or affiliates of the underwriters for the Note offering may be holders of the 6.625% Senior Notes. As a result, such underwriters or affiliates may receive a portion of the proceeds of the Note offering. Affiliates of certain of the underwriters are lenders under GEO’s revolving credit facility and will receive a portion of the proceeds from the Note offering.

The foregoing description of the Base Indenture is a summary and is qualified in its entirety by reference to the Base Indenture, a copy of which is filed as Exhibit 4.1 to GEO’s Current Report on Form 8-K filed on October 1, 2014, and incorporated by reference herein.

NOW, THEREFORE, THIS SUPPLEMENTAL INDENTURE WITNESSETH:

For and in consideration of the premises and the purchase of the Notes by the Holders thereof, it is mutually covenanted and agreed, for the equal and proportionate benefit of all Holders of the Notes, as follows:

SECTION ONE

**APPLICATION OF SUPPLEMENTAL INDENTURE
AND CREATION OF THE INITIAL NOTES**

I. *Application of This Supplemental Indenture.*

Notwithstanding any other provision of this Supplemental Indenture, all provisions of this Supplemental Indenture are expressly and solely for the benefit of the Holders of the Notes and any such provisions shall not be deemed to apply to any other Securities issued under this Indenture and shall not be deemed to amend, modify or supplement the Base Indenture for any purpose other than with respect to the Notes.

Unless otherwise expressly specified, references in this Supplemental Indenture to specific Article numbers or Section numbers refer to Articles and Sections contained in this Supplemental Indenture as they amend or supplement the Base Indenture, and not the Base Indenture or any other document. All Initial Notes and Additional Notes, if any, will be treated as a single class for all purposes of this Indenture, including waivers, amendments, redemptions and offers to purchase.

II. *Effect of Supplemental Indenture.*

With respect to the Notes only, the Base Indenture shall be supplemented pursuant to Section 9.01 thereof to establish the terms of the Notes as set forth in this Supplemental Indenture.

To the extent that the provisions of this Supplemental Indenture conflict with any provision of the Base Indenture, the provisions of this Supplemental Indenture shall govern and be controlling.

For the purposes of this Supplemental Indenture and the Notes, all reference in this Supplemental Indenture and the Base Indenture to (i) the date of this Indenture shall be construed as references to the date of this Supplemental Indenture and (ii) Securities shall be construed as references to the Notes, in each case, unless the context otherwise requires.

III. *Rules of Construction.*

Unless the context otherwise requires:

- (a) the terms defined in this Supplemental Indenture have the meanings assigned to them in the Supplemental Indenture and include the plural as well as the singular;
- (b) all terms used herein which are defined in the Trust Indenture Act, either directly or by reference therein, have the meanings assigned to them therein unless the provisions of this Indenture modify the meaning of any such term and the provisions of the Trust Indenture Act permit such modification;
- (c) all accounting terms not otherwise defined herein have the meanings assigned to them in accordance with GAAP;
- (d) the words “herein,” “hereof” and “hereunder” and other words of similar import refer to this Supplemental Indenture as a whole and not to any particular Article, Section or other subdivision; and
- (e) references to any Article, Section or other subdivision in this Supplemental Indenture, unless otherwise described, are references to an Article, Section or subdivision of the Base Indenture as supplemented by this Supplemental Indenture.

IV. The Trustee

The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or for or in respect of the recitals contained herein, all of which recitals are made solely by the Company.

“Change of Control” means the occurrence of any of the following:

- (1) the direct or indirect sale, transfer, assignment, lease, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the assets of the Company and its Restricted Subsidiaries, taken as a whole, to any “person” (as that term is used in Section 13(d)(3) of the Exchange Act) other than the Company, any Restricted Subsidiary or any Parent Company;

- (3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries after March 19, 2013 (excluding Restricted Payments permitted by Sections 10.07(c)(2) through (8) and including the net amount of any Restricted Payment permitted pursuant to Section 10.07(b)), is less than the sum, without duplication, of:
 - (a) 95% of the aggregate amount of the Funds From Operations (or, if the Funds From Operations is a loss, minus 100% of the amount of such loss) accrued on a cumulative basis for the period (taken as one accounting period) from January 1, 2013, to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment; *plus*
 - (b)(i) 100% of the aggregate net cash proceeds *plus* (ii) 100% of the aggregate fair market value of any Permitted Business or assets used or useful in a Permitted Business (other than Restricted Investments), in each case, to the extent received by the Company since March 19, 2013 as a contribution to its common equity capital or in consideration of the

issuance of Equity Interests of the Company (other than Disqualified Stock), except to the extent used to make an Investment pursuant to clause (12) or (14) of the definition of Permitted Investments, or from the issue or sale of Disqualified Stock or debt securities of the Company that have been converted into or exchanged for such Equity Interests (other than Equity Interests (or Disqualified Stock or debt securities) sold to a Subsidiary of the Company); *plus*

- (c) to the extent that any Restricted Investment that was made after March 19, 2013 is sold for cash or otherwise liquidated or repaid for cash, the lesser of (i) the cash return of capital with respect to such Restricted Investment (*less* the cost of disposition, if any) and (ii) the initial amount of such Restricted Investment; *plus*
- (d) to the extent that any Unrestricted Subsidiary of the Company is redesignated as a Restricted Subsidiary after March 19, 2013, the lesser of (i) the fair market value of the Company's or any Restricted Subsidiary's Investment in such Subsidiary as of the date of such redesignation or (ii) the fair market value of the Company's or any Restricted Subsidiary's Investment in such Subsidiary as of the date on which such Subsidiary was originally designated as an Unrestricted Subsidiary to the extent such Investment was treated as a Restricted Payment, *plus* the amount of any Investments made in such Subsidiary subsequent to such designation (or in the case of any Subsidiary that was an Unrestricted Subsidiary as of March 19, 2013, subsequent to March 19, 2013) to the extent any such Investment was treated as a Restricted Payment by the Company or any Restricted Subsidiary; *plus*
- (e) 100% of any other dividends or other distributions received by the Company or a Restricted Subsidiary since March 19, 2013 from an Unrestricted Subsidiary of the Company to the extent that such dividends were not otherwise included in Consolidated Net Income of the Company for such period in an amount not to exceed the amount of Restricted Investments previously made by the Company and its Restricted Subsidiaries in such Unrestricted Subsidiary.

(b) Notwithstanding Section 10.07(a), the Company and any of its Restricted Subsidiaries may declare or pay any dividend or make any distribution or take other action (that would have otherwise been a Restricted Payment) that is necessary to maintain the Company's or any direct or indirect parent company of the Company's status as a REIT under the Code or to enable the Company or any such parent company to avoid payment of any tax for any calendar year that could be avoided by reason of a distribution by the Company or any such parent company to its shareholders, with such distribution to be made as and when determined by the Company, whether during or after the end of the relevant calendar year, *provided* that if such distribution is to be made to a direct or indirect parent company of the Company, such parent company shall (a) become a Guarantor and (b) declare or pay a dividend or make a distribution to its shareholders substantially concurrent with, and in an amount not less than, the distribution received by such parent company, in each case, so long as no Default or Event of Default shall have occurred and be continuing.

(c) So long as no Default has occurred and is continuing or would be caused thereby, Sections 10.07(a) and (b) shall not prohibit:

- (1) the payment of any dividend within 60 days after the date of declaration of the dividend, if at the date of declaration the dividend payment would have complied with the provisions of this Indenture;
- (2) the redemption, repurchase, retirement, defeasance or other acquisition of any subordinated Indebtedness of the Company or any Guarantor or of any Equity Interests of the Company in exchange for, or out of the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of, Equity Interests of the Company (other than Disqualified Stock); *provided* that the amount of any such net cash proceeds that are utilized for any such redemption, repurchase, retirement, defeasance or other acquisition shall be excluded from clause (3)(b) of Section 10.07(a);

-
- (3) the defeasance, redemption, repurchase or other acquisition of subordinated Indebtedness of the Company or any Guarantor with the net cash proceeds from an incurrence of Permitted Refinancing Indebtedness;
 - (4) the payment of any dividend by a Restricted Subsidiary to the holders of its Equity Interests on a pro rata basis;
 - (5) the repurchase of Equity Interests deemed to occur upon (a) exercise of stock options to the extent that shares of such Equity Interests represent a portion of the exercise price of such options and (b) the withholding of a portion of the Equity Interests granted or awarded to an employee to pay taxes associated therewith;
 - (6) the repurchase, redemption or other acquisition or retirement for value of Equity Interests of the Company or any Restricted Subsidiary held by any member of the Company's (or any Restricted Subsidiary's) management; *provided* that the aggregate amount expended pursuant to this clause (6) shall not exceed \$10.0 million in any twelve-month period;
 - (7) Restricted Payments not otherwise permitted in an amount not to exceed \$150.0 million; and
 - (8) Restricted Payments made, if, at the time of the making of such Restricted Payment, and after giving effect thereto (including, without limitation, the incurrence of any Indebtedness to finance such Restricted Payment), the Consolidated Total Leverage Ratio of the Company would not exceed 3.50 to 1.00.

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or a Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The fair market value of any assets or securities that are required to be valued by this Section 10.07 shall be determined by the Board of Directors of the Company whose resolution with respect thereto shall be delivered to the Trustee. Except with respect to a Restricted Payment permitted by clauses (1) through (8) above in this Section 10.07(c), the Board of Directors' determination must be based upon an opinion or appraisal issued by an accounting, appraisal or investment banking firm of national standing if the fair market value exceeds \$25.0 million. Not later than the date on which such Restricted Payment was made, the Company shall deliver to the Trustee an Officers' Certificate stating that such Restricted Payment is permitted and setting forth the basis upon which the calculations required by this Section 10.07 were computed.

Section 10.08 Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.

(a) The Company, shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

- (1) pay dividends or make any other distributions on its Capital Stock to the Company or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Company or any of its Restricted Subsidiaries;
- (2) make loans or advances to the Company or any of its Restricted Subsidiaries; or
- (3) transfer any of its properties or assets to the Company or any of its Restricted Subsidiaries.

(b) However, the restrictions set forth in Section 10.08(a) shall not apply to encumbrances or restrictions existing under or by reason of:

- (1) agreements governing Existing Indebtedness and the Credit Facilities as in effect on the date of this Indenture and any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of those agreements; *provided*, that, the amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the date of this Indenture;

-
- (2) this Indenture and the Notes;
 - (3) applicable law, rule, regulation or order;
 - (4) any instrument governing Indebtedness or Capital Stock of a Person acquired by the Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided*, that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;
 - (5) customary non-assignment provisions of any contract or agreement entered into in the ordinary course of business and customary provisions restricting subletting or transfer of any interest in real or personal property contained in any lease or easement agreement of the Company or any Restricted Subsidiary;
 - (6) purchase money obligations for property acquired in the ordinary course of business that impose restrictions on that property of the nature described in Section 10.08(a)(3);
 - (7) any agreement for the sale or other disposition of all or substantially all of the assets or Capital Stock of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending its sale or other disposition of all or substantially all of the assets or Capital Stock of such Restricted Subsidiary;
 - (8) Permitted Refinancing Indebtedness; *provided*, that, the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness with respect to dividends and other payments are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;
 - (9) Liens securing Indebtedness otherwise permitted to be incurred under the provisions of Section 10.12 that limit the right of the debtor to dispose of the assets subject to such Liens;
 - (10) provisions with respect to the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, stock sale agreements and other similar agreements entered into in the ordinary course of business;
 - (11) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
 - (12) any Indebtedness incurred in compliance with Section 10.09 by any Foreign Subsidiary or any Guarantor, or any agreement pursuant to which such Indebtedness is issued, if the encumbrance or restriction applies only to such Foreign Subsidiary or Guarantor and only in the event of a payment default or default with respect to a financial covenant contained in the Indebtedness or agreement and the encumbrance or restriction is not materially more disadvantageous to the Holders of the Notes than is customary in comparable financings (as determined by the Board of Directors of the Company) and the Board of Directors of the Company determines that any such encumbrance or restriction will not materially affect the Company's ability to pay interest or principal on the Notes; or
 - (13) an arrangement or circumstance arising or agreed to in the ordinary course of business, not relating to any Indebtedness, and that does not, individually or in the aggregate, detract from the value of property or assets of the Company or any Restricted Subsidiary in any manner material to the Company or any Restricted Subsidiary.

Section 10.09 Incurrence of Indebtedness and Issuance of Preferred Stock.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, “incur”) any Indebtedness (including Acquired Debt), and the Company shall not issue any Disqualified Stock and shall not permit any Restricted Subsidiary to issue any Disqualified Stock or preferred stock; *provided, however*, that the Company may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and any Guarantor may incur Indebtedness or issue Disqualified Stock and any Foreign Subsidiary may incur Indebtedness, if the Fixed Charge Coverage Ratio for the Company’s most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or preferred stock is issued would have been at least 2.0 to 1, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the preferred stock or Disqualified Stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) Section 10.09(a) shall not prohibit the incurrence of any of the following items of Indebtedness or the issuance of Disqualified Stock, as set forth below (collectively, “Permitted Debt”):

- (1) the incurrence by the Company and any Restricted Subsidiary of Indebtedness under the Credit Agreement in an aggregate principal amount at any one time outstanding under this clause (1) not to exceed \$1,900.0 million, less the aggregate amount of all Net Proceeds of Asset Sales applied by the Company or any Restricted Subsidiary to repay any Indebtedness under the Credit Agreement and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto, pursuant to Section 10.10;
- (2) the incurrence by the Company and any Restricted Subsidiary of Existing Indebtedness;
- (3) the incurrence by the Company of Indebtedness represented by the Notes to be issued on the date of this Indenture and any Guarantees thereof by any Guarantor;
- (4) the incurrence by the Company or any Restricted Subsidiary of Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of construction or improvement of property, plant or equipment used in the business of the Company or such Restricted Subsidiary, in an aggregate principal amount, including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (4), not to exceed the greater of (i) \$100.0 million and (ii) 5.0% of Consolidated Tangible Assets, at any time outstanding;
- (5) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to refund, refinance or replace Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under Section 10.09(a) or clauses (2), (3) or (5) of this Section 10.09(b);
- (6) the incurrence by the Company or any Restricted Subsidiary of intercompany Indebtedness between or among the Company and any Restricted Subsidiary; *provided, however*, that:
 - (a) if the Company or any Guarantor is the obligor on such Indebtedness, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Notes, in the case of the Company, or the Note Guarantee, in the case of a Guarantor; and
 - (b) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary and

(ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Company or a Restricted Subsidiary; shall be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (6);

- (7) the incurrence by the Company or any Restricted Subsidiary of Hedging Obligations that are incurred for the purpose of fixing, hedging or swapping interest rate risk with respect to any Indebtedness that is permitted by the terms of this Indenture to be outstanding or for hedging foreign currency exchange risk, in each case to the extent the Hedging Obligations are incurred in the ordinary course of the Company's financial management and not for any speculative purpose;
- (8) the guarantee by the Company or any Restricted Subsidiary of Indebtedness of the Company or a Restricted Subsidiary that was permitted to be incurred by another provision of this Section 10.09;
- (9) the accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Disqualified Stock in the form of additional shares of the same class of Disqualified Stock shall not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock for purposes of this Section 10.09; provided, in each such case, that the amount thereof is included in Fixed Charges of the Company as accrued;
- (10) the incurrence by the Company or any Restricted Subsidiary of Indebtedness, including Indebtedness represented by letters of credit for the account of the Company or any Restricted Subsidiary, incurred in respect of workers' compensation claims, self-insurance obligations, performance, proposal, completion, surety and similar bonds and completion guarantees provided by the Company or any Restricted Subsidiary in the ordinary course of business; *provided*, that the underlying obligation to perform is that of the Company or its Restricted Subsidiaries and not that of the Company's Unrestricted Subsidiaries; *provided further*, that such underlying obligation is not in respect of borrowed money;
- (11) the incurrence by the Company or any Restricted Subsidiary of additional Indebtedness in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (11), not to exceed \$125.0 million;
- (12) the incurrence by the Company or any Restricted Subsidiary of Indebtedness, including but not limited to Indebtedness represented by letters of credit for the account of the Company or any Restricted Subsidiary, arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price or similar obligations, in each case, incurred or assumed in connection with the disposition of any business, assets or Equity Interests of the Company or a Restricted Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or Equity Interests for the purpose of financing such acquisition;
- (13) the incurrence by the Company or any Restricted Subsidiary of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument (except in the case of daylight overdrafts) drawn against insufficient funds in the ordinary course of business, provided that such Indebtedness is extinguished within five business days of incurrence;
- (14) the issuance of preferred stock of a Restricted Subsidiary to the Company that is pledged to secure the Credit Agreement, *provided* that any subsequent transfer that results in such preferred stock being held by a Person other than the Company or a Restricted Subsidiary shall be deemed to constitute an issuance of preferred stock not permitted by this clause (14);

-
- (15) the incurrence of Acquired Debt (but not any Indebtedness incurred in connection with, or in contemplation of such other Person merging with or into, or becoming a Subsidiary of, the Company); *provided, however*, that on the date such Person becomes a Subsidiary or is acquired by the Company and after giving pro forma effect thereto, (x) the Company would have been entitled to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio in Section 10.09(a) or (y) the Fixed Charge Coverage Ratio would be greater than such ratio for the Company and its Restricted Subsidiaries immediately prior to such transaction; and
- (16) Guarantees by the Company or any Restricted Subsidiary of Indebtedness of any Unrestricted Subsidiary, *provided* that the aggregate principal amount of such Guarantees of Indebtedness of any Unrestricted Subsidiary shall not exceed the greater of (i) \$75.0 million and (ii) 5.0% of Consolidated Tangible Assets at any time outstanding.

(c) For purposes of determining compliance with any restriction on the incurrence of Indebtedness where the Indebtedness incurred is not denominated in U.S. dollars, the amount of such Indebtedness will be the U.S. Dollar Equivalent determined on the date of incurrence of such Indebtedness; *provided, however*, that if any such Indebtedness not denominated in U.S. dollars is subject to a Hedging Obligation with respect to U.S. dollars covering all principal, premium, if any, and interest payable on such Indebtedness, the amount of such Indebtedness expressed in U.S. dollars will be as provided in such Hedging Obligation. The principal amount of any Permitted Refinancing Indebtedness incurred in the same currency as the Indebtedness being refinanced will be the U.S. Dollar Equivalent of the Indebtedness refinanced, except to the extent that (i) such U.S. Dollar Equivalent was determined based on a Hedging Obligation, in which case the Permitted Refinancing Indebtedness shall be determined in accordance with the preceding sentence, and (ii) the principal amount of the Permitted Refinancing Indebtedness exceeds the principal amount of the Indebtedness being refinanced, in which case the U.S. Dollar Equivalent of such excess shall be determined on the date such Permitted Refinancing Indebtedness is incurred.

(d) For purposes of determining compliance with this Section 10.09, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (16) of Section 10.09(b) above, or is entitled to be incurred pursuant to Section 10.09(a), the Company shall be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 10.09. Indebtedness under the Credit Agreement outstanding on the date on which Notes are first issued and authenticated under this Indenture shall be deemed to have been incurred on such date in reliance on the exception provided by clause (1) of the definition of Permitted Debt.

(e) The Company shall not, and shall not permit any Guarantor to, incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Company or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes or such Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness of the Company or any Guarantor shall be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company or any Guarantor solely by virtue of being unsecured or by virtue of the fact that the holders of secured Indebtedness have entered into intercreditor arrangements giving one or more of such holders priority over the other holders in the collateral held by them.

Section 10.10 Asset Sales.

(a) The Company shall not, and the Company shall not permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless:

- (1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the fair market value of the assets or Equity Interests issued or sold or otherwise disposed of (except in respect of Designated Assets sold pursuant to a Designated Asset Contract);
- (2) the fair market value or Designated Asset Value, as applicable, in the case of any Asset Sales or series of related Asset Sales having a fair market value of \$50.0 million or more, is determined by the Company's Board of Directors and evidenced by a resolution of the Company's Board of Directors set forth in an Officers' Certificate delivered to the Trustee; and

-
- (3) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this clause (3) only, each of the following shall be deemed to be cash:
- (a) any liabilities, as shown on the Company's or such Restricted Subsidiary's most recent balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary novation agreement that releases the Company or such Restricted Subsidiary from further liability;
 - (b) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 90 days after the applicable Asset Sale, to the extent of the cash or Cash Equivalents received in that conversion;
 - (c) notes or other obligations or Indebtedness actually received by the Company or any such Restricted Subsidiary as consideration for the sale or other disposition of a Designated Asset pursuant to a contract with a governmental or quasi-governmental agency, but only to the extent that such notes or other obligations or Indebtedness were explicitly required to be included, or permitted to be included solely at the option of the purchaser, in such consideration pursuant to such contract;
 - (d) 100% of Indebtedness actually received by the Company or any Restricted Subsidiary as consideration for the sale or other disposition of an Unoccupied Facility; and
 - (e) any Designated Non-Cash Consideration received by the Company or any such Restricted Subsidiary in the Asset Sale, in an aggregate amount in any fiscal year of the Company (measured on the date such Designated Non-Cash Consideration was received without giving effect to subsequent changes in value), when taken together with all other Designated Non-Cash Consideration received as consideration pursuant to this clause (e) during such fiscal year (but, to the extent that any such Designated Non-Cash Consideration is sold or otherwise liquidated for cash, minus the lesser of (a) the amount of the cash received (less the cost of disposition, if any) and (b) the initial amount of such Designated Non-Cash Consideration), not to exceed \$50.0 million.
- (b) Notwithstanding the foregoing, the Company and its Restricted Subsidiaries may engage in Asset Swaps; *provided that*,
- (1) immediately after giving effect to such Asset Swap, the Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 10.09(a) and
 - (2) the Board of Directors of the Company determines that the fair market value of the assets received by the Company or the Restricted Subsidiary in the Asset Swap is not less than the fair market value of the assets disposed of by the Company or such Restricted Subsidiary in such Asset Swap and such determination is evidenced by a Board Resolution set forth in an Officers' Certificate delivered to the Trustee.
- (c) Within 360 days after the receipt of any Net Proceeds from an Asset Sale, the Company or the applicable Restricted Subsidiary may apply those Net Proceeds, at its option:
- (1) to repay permanently Indebtedness under the Credit Agreement (and with respect to Net Proceeds of a Restricted Subsidiary that is not a Guarantor, Indebtedness of such Restricted Subsidiary) and, if the Indebtedness permanently repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;

-
- (2) to acquire, or enter into a definitive agreement to acquire, all or substantially all of the assets of, a Permitted Business or a majority of the Voting Stock of a Person engaged in a Permitted Business, *provided* that such Person becomes a Restricted Subsidiary and provided, further, however, in the case of a definitive agreement, that such acquisition closes within 120 days of such 360 day period;
 - (3) to make a capital expenditure in or that is used or useful in a Permitted Business (provided that the completion of (i) construction of new facilities, (ii) expansions to existing facilities and (iii) repair or construction of damaged or destroyed facilities, in each case, which commences within such 360 days may extend for an additional 360 day period if the Net Proceeds to be used for such construction, expansion or repair are committed specifically for such activity within such 360 days); or
 - (4) to acquire other long-term assets that are used or useful in a Permitted Business.

Pending the final application of any Net Proceeds, the Company may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(d) Any Net Proceeds from Asset Sales that are not applied or invested as provided in clause (c) of this Section 10.10, or that the Company determines will not be applied or invested as provided in clause (c) of this Section 10.10, shall constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$50.0 million, the Company shall make an offer (an "Asset Sale Offer") to all Holders of Notes and, at the Company's option, all holders of other Indebtedness that is pari passu with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets, to purchase on a pro rata basis the maximum principal amount of Notes and such other pari passu Indebtedness that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer shall be equal to 100% of the principal amount, plus accrued and unpaid interest, if any, to the date of purchase, and shall be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other pari passu Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Notes and such other pari passu Indebtedness shall be purchased on a pro rata basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(e) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 10.10 and any other provisions of this Indenture applicable to Asset Sales, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 10.10 and any other provisions of this Indenture applicable to Asset Sales by virtue of such conflict.

Section 10.11 Transactions with Affiliates.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or amend any contract, agreement, loan, advance or guarantee with, or for the benefit of, any Affiliate (each, an "Affiliate Transaction"), unless:

- (1) the Affiliate Transaction is on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and
- (2) the Company delivers to the Trustee:

-
- (a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25.0 million, a resolution of the Board of Directors of the Company set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with this Section 10.11 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Company; and
 - (b) except with respect to leases of facilities entered into in the ordinary course of business with a Wholly Owned Subsidiary, with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$75.0 million, an opinion as to the fairness to the Company of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.
- (b) The following items shall not be deemed to be Affiliate Transactions and, therefore, shall not be subject to the provisions of Section 10.11
- (a):
- (1) indemnity agreements and reasonable employment arrangements (including severance and retirement agreements) entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business of the Company or such Restricted Subsidiary, in each case approved by the disinterested members of the Board of Directors of the Company;
 - (2) transactions between or among the Company and/or its Restricted Subsidiaries;
 - (3) payment of reasonable directors fees to Persons who are not otherwise Affiliates of the Company;
 - (4) sales of Equity Interests (other than Disqualified Stock) of the Company;
 - (5) Permitted Investments and Restricted Payments that are permitted by Section 10.07;
 - (6) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of employment arrangements, stock options and stock ownership plans and other reasonable fees, compensation, benefits and indemnities paid or entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business to or with officers, directors or employees of the Company and its Restricted Subsidiaries; and
 - (7) any pledge of any Government Operating Agreement to secure Non-Recourse Project Financing Indebtedness related to the facility that is the subject of such Government Operating Agreement.

Section 10.12 Liens.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind (other than Permitted Liens) upon any of their property or assets, now owned or hereafter acquired, unless all payments due under this Indenture and the Notes are secured on an equal and ratable or prior basis with the Obligations so secured until such time as such Obligations are no longer secured by a Lien.

Section 10.13 Business Activities.

The Company shall not, and shall not permit any Restricted Subsidiary to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Company and its Restricted Subsidiaries taken as a whole.

Section 10.14 Offer to Repurchase upon a Change of Control.

(a) Upon the occurrence of a Change of Control, each Holder of Notes shall have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes pursuant to the offer described below (the "Change of Control Offer") at an offer price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, on the Notes repurchased, to the date of purchase (the "Change of Control Payment"). Within 30 days following any Change of Control, the Company shall mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes, on the date (the "Change of Control Payment Date") specified in the notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures set forth in Section 11.09 and described in such notice. The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture relating to such Change of Control Offer, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 10.14 by virtue of such conflict.

(b) On the Change of Control Payment Date, the Company shall, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent shall promptly deliver to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Company shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) Notwithstanding anything to the contrary in this Section 10.14, the Company shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 10.14 and all other provisions of this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes properly tendered and not withdrawn under such Change of Control Offer.

Section 10.15 Designation of Restricted and Unrestricted Subsidiaries.

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default or Event of Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate fair market value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary properly designated shall be deemed to be Investments made as of the time of the designation, subject to the limitations on Restricted Payments. That designation shall only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if the redesignation would not cause a Default; *provided*, that, such designation shall be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary and such designation shall only be permitted if (1) such Indebtedness is permitted under Section 10.09, calculated on a pro forma basis as if such designation had occurred at the beginning of the four-quarter reference period; and (2) no Default or Event of Default would be in existence following such designation.

Section 10.16 Payments for Consent.

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 10.17 Sale and Leaseback Transactions.

The Company shall not, and shall not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction; *provided*, that, the Company or any Restricted Subsidiary may enter into a Sale and Leaseback Transaction if:

- (1) the Company or that Restricted Subsidiary, as applicable, could have (a) incurred Indebtedness in an amount equal to the Attributable Debt relating to such Sale and Leaseback Transaction under the Fixed Charge Coverage Ratio test in Section 10.09(a) and (b) incurred a Lien to secure such Indebtedness pursuant to Section 10.12;
- (2) the gross cash proceeds of that Sale and Leaseback Transaction are at least equal to the fair market value, as determined in good faith by the Board of Directors of the Company and set forth in an Officers' Certificate delivered to the Trustee, of the property that is the subject of that Sale and Leaseback Transaction; and
- (3) the transfer of assets in that Sale and Leaseback Transaction is permitted by, and the Company applies the proceeds of such transaction in compliance with, Section 10.10.

Section 10.18 Additional Note Guarantees.

(a) The Notes shall initially be fully and unconditionally guaranteed by each of the Initial Guarantors as set forth in Article XIII and may be guaranteed by additional Subsidiaries of the Company pursuant to this Section 10.18.

(b) The Company shall not permit any of its Restricted Subsidiaries which are not Guarantors directly or indirectly, to Guarantee the payment of (i) any Indebtedness of the Company or any Guarantor under any Credit Facility or (ii) any Indebtedness of the Company or any Guarantor evidenced by bonds, notes or other debt securities in an aggregate principal amount of \$100 million or more, unless, in each case, such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture providing for the Guarantee of the payment of the Notes by such Restricted Subsidiary, which Note Guarantee shall be senior to or pari passu with such Subsidiary's Guarantee of such other Indebtedness.

Section 10.19 Changes in Covenants When Notes Rated Investment Grade.

(a) If on any date following the date of this Indenture:

- (1) the Notes are rated Baa3 or better by Moody's or BBB- or better by Standard & Poor's (or, if either such entity ceases to rate the Notes for reasons outside of the control of the Company, the equivalent investment grade credit rating from any other "nationally recognized statistical rating organization" within the meaning of Section 3(a)(62) under the Exchange Act, selected by the Company as a replacement agency); and
- (2) no Default or Event of Default shall have occurred and be continuing (clauses (1) and (2) collectively, a "Covenant Suspension Event"),

then, beginning on that day and subject to the provisions of Section 10.19(b), the following Sections shall be suspended:

- (a) Section 10.10;
- (b) Section 10.07;

-
- (c) Section 10.09;
 - (d) Section 10.08;
 - (e) Section 10.15;
 - (f) Section 10.11;
 - (g) Section 8.01(4);
 - (h) Section 10.17(1)(a) and (3); and
 - (i) Section 10.13;

(b) During any period that the foregoing Sections specified in Section 10.19(a) have been suspended (a “Suspension Period”), the Company’s Board of Directors may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to Section 10.15 unless such designation would have been permitted if a Suspension Period had not been in effect at such time.

(c) Notwithstanding the provisions of Section 10.19(a) and (b) above, if the rating assigned by such rating agency should subsequently decline and the Notes are not rated Baa3 or better by Moody’s nor BBB- or better by Standard & Poor’s (or if either such agency ceases to rate the Notes, the equivalent investment grade credit rating from another nationally recognized statistical rating organization), the foregoing Sections specified in Section 10.19(a) shall be reinstated as of and from the date of such rating decline. Calculations under the reinstated Section 10.07 shall be made as if Section 10.07 had been in effect since the date of this Indenture except that no default shall be deemed to have occurred solely by reason of a Restricted Payment made while that Section 10.07 was suspended. Notwithstanding that the suspended Sections specified in Section 10.19(a) may be reinstated, no default shall be deemed to have occurred as a result of a failure to comply with such suspended Sections during any Suspension Period.

(d) The Company shall give prompt written notice of any Covenant Suspension Event and the termination of any Covenant Suspension Event to the Trustee.

XI. *Changes to Article XI of the Base Indenture: Redemption of Securities*

Set forth below are the changes to Article XI of the Base Indenture: Redemption of Securities:

(A) Section 11.01 of the Base Indenture shall be deleted in its entirety and replaced with the following:

Section 11.01 Rights of Redemption

(a) At any time on or prior to April 15, 2019, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Outstanding Notes issued under this Indenture (including any Additional Notes) at a Redemption Price of 106.000% of their principal amount, plus accrued and unpaid interest, if any, to the Redemption Date, with the net cash proceeds of one or more Equity Offerings; *provided*, that: (1) at least 65% of the aggregate principal amount of Notes issued under this Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company and its Subsidiaries); and (2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to April 15, 2021, the Company may, at its option, redeem all or a part of the Notes upon not less than 30 nor more than 60 days’ prior notice at a Redemption Price equal to the sum of (i) 100% of the principal amount thereof, plus (ii) the Applicable Premium as of the Redemption Date, plus (iii) accrued and unpaid interest, if any, to the Redemption Date.

(c) Except as set forth in clauses (a) and (b) of this Section 11.01, the Company shall not have the option to redeem the Notes pursuant to this Section 11.01 prior to April 15, 2021. On or after April 15, 2021, the Company may, at its option, redeem all or a part of the Notes upon not less than 30 nor more than 60 days’ notice, at the Redemption Prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable Redemption Date, if redeemed during the 12-month period beginning on April 15 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2021	103.000%
2022	102.000%
2023	101.000%
2024 and thereafter	100.000%

(d) Any redemption pursuant to this Section 11.01 shall be made pursuant to the provisions of Sections 11.02 through 11.08 hereof.

(B) Section 11.03 of the Base Indenture shall be deleted in its entirety and replaced with the following:

Section 11.03 Election to Redeem; Notice to Trustee.

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 11.01 hereof, it shall furnish to the Trustee, at least 30 days but not more than 60 days before a Redemption Date, an Officers' Certificate setting forth (i) the clause of this Indenture pursuant to which the redemption shall occur, (ii) the Redemption Date, (iii) the principal amount of Notes to be redeemed and (iv) the Redemption Price.

(C) Section 11.06 of the Base Indenture shall be deleted in its entirety and replaced with the following:

Section 11.06 Deposit of Redemption Price.

(a) One Business Day prior to the Redemption Date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the Redemption Price of and (except if the Redemption Date shall be an Interest Payment Date or Special Payment Date) accrued interest on all Notes to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the Redemption Price of, and accrued interest on, all Notes to be redeemed. The Paying Agent shall promptly mail or deliver to Holders of Notes so redeemed payment in an amount equal to the Redemption Price of the Notes.

(b) If the Company complies with the provisions of the preceding clause (a), on and after the Redemption Date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after a Regular Record Date (or Special Record Date) but on or prior to the related Interest Payment Date (or Special Payment Date), then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such Regular Record Date (or Special Record Date, as the case may be). If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Company to comply with the preceding clause (a), interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 3.08 hereof.

(D) The following shall be added to the Base Indenture as Section 11.09:

Section 11.09 Repurchases.

In the event that, pursuant to Sections 10.10 or 10.14 hereof, the Company shall be required to commence an offer to all Holders to purchase their respective Notes (a "Repurchase Offer"), it shall follow the procedures specified below.

The Repurchase Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the "Offer Period"). No later than five Business Days after the termination of the Offer Period (the "Purchase Date"), the Company shall purchase the principal amount of Notes required to be purchased pursuant to Sections 10.10 and 10.14 hereof (the "Offer Amount") or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Repurchase Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

If the Purchase Date is on or after a Regular Record Date (or Special Record Date, as applicable) and on or before the related Interest Payment Date (or Special Payment Date, as the case may be), any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such Regular Record Date (or Special Record Date, as the case may be), and no additional interest shall be payable to Holders who tender Notes pursuant to the Repurchase Offer.

Upon the commencement of a Repurchase Offer, the Company shall send, by first class mail (or, as long as the Notes are in the form of a Global Security, electronically in accordance with procedures of the Depository), a notice to the Trustee and each of the Holders. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Repurchase Offer. The Repurchase Offer shall be made to all Holders. The notice, which shall govern the terms of the Repurchase Offer, shall state:

- (i) that the Repurchase Offer is being made pursuant to this Section 11.09 and Section 10.10 or Section 10.14 hereof, and the length of time the Repurchase Offer shall remain open;
- (ii) the Offer Amount, the purchase price and the Purchase Date;
- (iii) that any Note not tendered or accepted for payment shall continue to accrete or accrue interest;
- (iv) that, unless the Company defaults in making such payment, any Note (or portion thereof) accepted for payment pursuant to the Repurchase Offer shall cease to accrete or accrue interest after the Purchase Date;
- (v) that Holders electing to have a Note purchased pursuant to a Repurchase Offer may elect to have Notes purchased in principal amounts of \$2,000 or in integral multiples of \$1,000 in excess thereof only;
- (vi) that Holders electing to have a Note purchased pursuant to any Repurchase Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, or transfer by book entry transfer, to the Company, the Depository, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;
- (vii) that Holders shall be entitled to withdraw their election if the Company, the Depository or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
- (viii) that, if the aggregate amount of Notes surrendered by Holders exceeds the Offer Amount, the Trustee shall select the Notes to be purchased on a pro rata basis or in accordance with the procedures of the Depository (with such adjustments as may be deemed appropriate by the Trustee so that only Notes in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased); and
- (ix) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book entry transfer).

On the Purchase Date, the Company shall, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes (or portions thereof) tendered pursuant to the Repurchase Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and shall deliver to the Trustee an Officers' Certificate stating that such Notes (or portions thereof) were accepted for payment by the Company in accordance with the terms of this Section 11.09. The Company, the Depository or the Paying Agent, as the case may be, shall

promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of Notes tendered by such Holder, as the case may be, and accepted by the Company for purchase, and the Company shall promptly issue a new Note. The Trustee, upon written request from the Company shall authenticate and mail or deliver such new Note to such Holder, in a principal amount at maturity equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the respective Holder thereof. The Company shall publicly announce the results of the Repurchase Offer as soon as practicable after the Purchase Date.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Repurchase Offer.

Other than as specifically provided in this Section 11.09, any purchase pursuant to this Section 11.09 shall be made pursuant to the provisions of Sections 11.02 through 11.08 hereof.

(E) The following shall be added to the Base Indenture as Section 11.10:

Section 11.10 No Mandatory Redemption or Sinking Fund.

The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

XII. *Changes to Article XII of the Base Indenture: Satisfaction and Discharge*

[Reserved.]

XIII. *Changes to Article XIII of the Base Indenture: Guarantees*

Set forth below are the changes to Article XIII of the Base Indenture: Guarantees:

(A) Section 13.01 of the Base Indenture shall be deleted in its entirety and replaced with the following:

Section 13.01 Guarantee.

(a) On the Issue Date, all of the Initial Guarantors shall Guarantee the obligations of the Company under the Notes and this Indenture as provided in this Article XIII. On the Issue Date, all of the Company's Subsidiaries that Guarantee the Company's obligations under the Credit Agreement are the Initial Guarantors under this Indenture. Subject to this Article XIII, each of the Guarantors (including the Initial Guarantors and any other Subsidiary that may become a Guarantor) hereby, jointly and severally, and fully and unconditionally, guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company under this Indenture or under the Notes, that: (a) the principal of, premium, if any, and interest on the Notes shall be promptly paid in full when due, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium, if any, and interest on the Notes, if lawful (subject in all cases to any applicable grace period provided herein), and all other obligations of the Company to the Holders or the Trustee under this Indenture or under the Notes shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that, to the maximum extent permitted under applicable law, their obligations under this Indenture shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge

or defense of a Guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture or except as provided in Section 13.05 of this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to any of the Company or the Guarantors, any amount paid by any of them to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(d) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in, but subject to the provisions of, Article V of this Indenture, for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article V of this Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

(B) The following shall be added to Article XIII of the Base Indenture as follows:

Section 13.02. Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to such Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor shall be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article XIII, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 13.03. Execution and Delivery of a Supplemental Indenture Relating to a Note Guarantee.

(a) Each Guarantor hereby agrees that its Note Guarantee set forth in Section 13.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

(b) If an Officer whose signature is on this Indenture or on a supplemental indenture no longer holds that office at the time the Trustee authenticates the Note, the Note Guarantee shall be valid nevertheless.

(c) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

(d) If required by Section 10.18 hereof, the Company shall cause such Subsidiaries to execute supplemental indentures to this Indenture in accordance with Section 10.18 hereof and this Article XIII, to the extent applicable.

Section 13.04. Guarantors May Consolidate, Etc., on Certain Terms.

(a) A Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person), another Person, other than the Company or another Guarantor, unless:

(i) immediately after giving effect to that transaction, no Default or Event of Default exists; and

(ii) either:

(A) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger assumes all the obligations of that Guarantor under this Indenture and its Note Guarantee pursuant to a supplemental indenture satisfactory to the Trustee; or

(B) such sale or other disposition or consolidation or merger complies with Section 10.10 hereof.

(b) In case of any such consolidation, merger, sale or conveyance governed by Section 13.04(a)(ii)(A), upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and reasonably satisfactory in form to the Trustee, of the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by a Guarantor, such successor Person shall succeed to and be substituted for a Guarantor with the same effect as if it had been named herein as a Guarantor.

Section 13.05. Release of a Guarantor.

(a) Any Guarantor shall be released and relieved of any obligations under its Note Guarantee hereunder,

(i) in connection with any sale or other disposition of all of the Capital Stock of such Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) a Subsidiary of the Company, if the sale complies with Section 10.10 hereof;

(ii) if the Company designates such Guarantor as an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture;

(iii) upon defeasance or covenant defeasance of the Notes as permitted under this Indenture; or

(iv) upon the release or termination (other than a termination or release resulting from the payment thereon) of such Guarantor's Guarantee, if any, of (a) all Indebtedness of the Company or any Guarantor under any Credit Facility and (b) all Indebtedness of the Company or any Guarantor evidenced by bonds, notes or other debt securities in an aggregate principal amount of \$100 million or more.

(b) Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that one of the foregoing requirements has been satisfied and the conditions to the release of a Guarantor under this Section 13.05 have been met, the Trustee shall execute any documents reasonably required in order to evidence the release of such Guarantor from its obligations under its Note Guarantee.

(c) Any Guarantor not released from its obligations under its Note Guarantee shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article XIII.

1.2 Other Definitions.

<u>Term:</u>	<u>Defined in Section:</u>
“Global Note”	2.1(b)

2. The Notes

2.1 Form and Dating.

(a) The Initial Notes issued on the date hereof were offered and sold by the Company pursuant to the Underwriting Agreement to the Underwriters. Additional Notes offered after the date hereof may be offered and sold by the Company from time to time pursuant to one or more Underwriting Agreements in accordance with applicable law.

(b) Global Notes. The Initial Notes shall be issued initially in the form of one or more permanent global Notes in definitive, fully registered form (collectively, the “Global Note”) without interest coupons and bearing the Global Notes Legend, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Notes Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Company and authenticated by the Trustee as provided in the Indenture. The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee.

(c) Definitive Notes. Except as provided in Section 2.2 or 2.3, owners of beneficial interests in Global Notes will not be entitled to receive physical delivery of certificated Notes.

2.2 Transfer and Exchange. (a) Transfer and Exchange of Definitive Notes. When Definitive Notes are presented to the Security Registrar with a request:

- (i) to register the transfer of such Definitive Notes; or
- (ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Security Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Notes surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Security Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

(b) Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note. A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Security Registrar, together with written instructions directing the Trustee to make, or to direct the Notes Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depository account to be credited with such increase, then the Trustee shall cancel such Definitive Note and cause, or direct the Notes Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Notes Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If no Global Notes are then outstanding and the Global Note has not been previously exchanged for certificated Notes pursuant to Section 2.3, the Company shall issue and the Trustee shall authenticate, in accordance with Section 3.03 of the Indenture, a new Global Note in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes. (i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with the Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver a written order given in accordance with the Depository’s procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in such Global Note or another Global Note and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Security Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Security Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(d) Legend.

Each Definitive Note shall bear the following additional legend:

IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE SECURITY REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.

(e) Cancellation or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by the Depositary to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

(f) Obligations with Respect to Transfers and Exchanges of Notes.

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate, Definitive Notes and Global Notes at the Security Registrar's request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchanges pursuant to Sections 3.04 or 9.06 of the Indenture).

(iii) Prior to the due presentation for registration of transfer of any Note, the Company, the Trustee, the Paying Agent or the Security Registrar may deem and treat the person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent or the Security Registrar shall be affected by notice to the contrary.

(iv) All Notes issued upon any transfer or exchange pursuant to the terms of the Indenture shall evidence the same debt and shall be entitled to the same benefits under the Indenture as the Notes surrendered upon such transfer or exchange.

(g) No Obligation of the Trustee.

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depositary or any other Person with respect to the accuracy of the records of the Depositary or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depositary) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to the registered Holders (which shall be the Depositary or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depositary subject to the applicable rules and procedures of the Depositary. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under the Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates, opinions and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

2.3 Definitive Notes.

(a) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.3 shall be surrendered by the Depository to the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations. Any portion of a Global Note transferred pursuant to this Section shall be executed, authenticated and delivered only in denominations of \$2,000 and any greater integral multiple of \$1,000 thereof and registered in such names as the Depository shall direct.

(b) Subject to the provisions of Section 2.2(b), the registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under the Indenture or the Notes.

(c) In the event of the occurrence of any of the events specified in Section 3.6 of the Indenture, the Company will promptly make available to the Trustee a reasonable supply of Definitive Notes in fully registered form without interest coupons.

THE GEO GROUP, INC.

6.00% Senior Notes due 2026

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. *Interest.* The Company promises to pay interest on the principal amount of this Note at 6.00% per annum from the date hereof until maturity. The Company shall pay interest semi-annually in arrears on April 15 and October 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each an “*Interest Payment Date*”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of original issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be October 15, 2016. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. *Method of Payment.* The Company shall pay interest on the Notes (except Defaulted Interest) to the Persons who are registered Holders of Notes at the close of business on the record date immediately preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 3.08 of the Indenture with respect to Defaulted Interest. The Notes shall be payable as to principal, premium and interest at the office or agency of the Paying Agent and Security Registrar maintained for such purpose in The City and State of New York, or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal of and interest and premium on, all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Company or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. *Paying Agent and Security Registrar.* Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, shall act as Paying Agent and Security Registrar. The Company may change any Paying Agent or Security Registrar without prior notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. *Indenture.* The Company issued the Notes under an Indenture dated as of September 25, 2014 (the “*Base Indenture*”) between the Company and the Trustee, as supplemented by a Second Supplemental Indenture, dated as of April 18, 2016 (the “*Supplemental Indenture*”, and the Base Indenture, as supplemented by the Supplemental Indenture, the “*Indenture*”), among the Company, the Initial Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture pursuant to which this Note is issued provides that an unlimited aggregate principal amount of Additional Notes may be issued thereunder.

5. *Optional Redemption.* (a) At any time on or prior to April 15, 2019, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Outstanding Notes issued under the Indenture (including any Additional Notes) at a Redemption Price of 106.000% of their principal amount, plus accrued and unpaid interest, if any, to the Redemption Date, with the net cash proceeds of one or more Equity

Appendix A, Exhibit 1-4

Offerings; provided, that: (1) at least 65% of the aggregate principal amount of Notes issued under the Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company and its Subsidiaries); and (2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to April 15, 2021, the Company may, at its option, redeem all or a part of the Notes upon not less than 30 nor more than 60 days' prior notice at a Redemption Price equal to the sum of (i) 100% of the principal amount thereof, plus (ii) the Applicable Premium as of the Redemption Date, plus (iii) accrued and unpaid interest, if any, to the Redemption Date.

(c) Except as set forth in clauses (a) and (b) of this paragraph 5, the Company shall not have the option to redeem the Notes pursuant to this paragraph 5 prior to April 15, 2021. On or after April 15, 2021, the Company may, at its option, redeem all or a part of the Notes upon not less than 30 nor more than 60 days' notice, at the Redemption Prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable Redemption Date, if redeemed during the 12-month period beginning on April 15 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2019	103.000%
2020	102.000%
2021	101.000%
2022 and thereafter	100.000%

6. *Repurchase at Option of Holder.* (a) Upon the occurrence of a Change of Control, each Holder of Notes shall have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes pursuant to the offer described in the Indenture (the "Change of Control Offer") at an offer price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, on the Notes repurchased, to the date of purchase (the "Change of Control Payment"). Within 30 days following any Change of Control, the Company shall mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes, on the Change of Control Payment Date specified in the notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures set forth in Section 11.09 of the Indenture and described in such notice.

(b) Within 360 days after the receipt of any Net Proceeds from an Asset Sale, the Company or the applicable Restricted Subsidiary may apply those Net Proceeds, at its option: (1) to repay permanently Indebtedness under the Credit Agreement (and with respect to Net Proceeds of a Restricted Subsidiary that is not a Guarantor, Indebtedness of such Restricted Subsidiary) and, if the Indebtedness permanently repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto; (2) to acquire, or enter into a definitive agreement to acquire, all or substantially all of the assets of, a Permitted Business or a majority of the Voting Stock of a Person engaged in a Permitted Business, provided that such Person becomes a Restricted Subsidiary and *provided, further, however*, in the case of a definitive agreement, that such acquisition closes within 120 days of such 360 day period; (3) to make a capital expenditure in or that is used or useful in a Permitted Business (provided that the completion of (i) construction of new facilities, (ii) expansions to existing facilities and (iii) repair or construction of damaged or destroyed facilities, in each case, which commences within such 360 days may extend for an additional 360 day period if the Net Proceeds to be used for such construction, expansion or repair are committed specifically for such activity within such 360 days); or (4) to acquire other long-term assets that are used or useful in a Permitted Business. Pending the final application of any Net Proceeds, the Company may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by the Indenture. Any Net Proceeds from Asset Sales that are not applied or invested as provided in the preceding sentence of this paragraph 6(b), or that the Company determines will not be applied or invested as provided in the preceding sentence of this paragraph 6(b), shall constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$50.0 million, the Company shall make an Asset Sale Offer to all Holders of Notes and, at the Company's option, all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase or redeem with the proceeds

of sales of assets, to purchase on a pro rata basis the maximum principal amount of Notes and such other pari passu Indebtedness that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer shall be equal to 100% of the principal amount, plus accrued and unpaid interest, if any, to the date of purchase, and shall be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other pari passu Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Notes and such other pari passu Indebtedness shall be purchased on a pro rata basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

7. *Selection and Notice of Redemption.* If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee shall select the Notes to be redeemed or purchased among the Holders of the Notes in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not so listed, on a *pro rata* basis (based on amounts tendered), by lot or by such method as the Trustee deems fair and appropriate in accordance with DTC procedures. The Trustee shall promptly notify the Company and the Security Registrar in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed. Notices of redemption may not be conditional. If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note shall be issued in the name of the Holder thereof upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. Subject to Section 11.06 of the Indenture, on and after the Redemption Date, interest shall cease to accrue on Notes or portions of them called for redemption.

8. *Denominations, Transfer, Exchange.* The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Security Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company is not required to transfer or exchange any Note selected for redemption. Also, the Company is not required to transfer or exchange any Note for a period of 15 days before the mailing of a notice of redemption of Notes.

9. *Persons Deemed Owners.* The registered Holder of a Note will be treated as its owner for all purposes.

10. *Amendment, Supplement and Waiver.* Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the then Outstanding Notes and Additional Notes, if any, voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then Outstanding Notes and Additional Notes, if any, voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes). Without the consent of any Holder of a Note, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Company's or any Guarantor's obligations to Holders of Notes in the case of a merger or consolidation or sale of all or substantially all of the Company's or such Guarantor's assets, to make any change that would provide any additional rights or benefits to the Holders of Notes or that does not adversely affect the legal rights under the Indenture of any such Holder, to comply with requirements of the Commission in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act, to conform the text of the Indenture, or any Notes or any Note Guarantee, to any provision of the description of such securities in any offering memorandum with respect thereto to the extent that such provision in the description of such Notes was intended to be a verbatim recitation of a provision of the Indenture, the Notes or any Note Guarantee as evidenced in an Officers' Certificate, to allow a Guarantor to execute a supplemental indenture for the purpose of providing a guarantee of any Notes in accordance with the provisions of the Indenture or any indenture supplemental to the Indenture, to establish the form or terms of Securities of any series as permitted by the Indenture, which is not yet issued, to supplement any of the provisions of the Indenture to such extent as shall be necessary to permit or facilitate the defeasance and discharge of any series of Securities

pursuant to Section 4.02 or 4.03 of the Indenture, provided that any such actions shall not adversely affect the interests of Holders of Securities of such series in any material respect, to evidence and provide for the acceptance of appointment by a successor or separate Trustee with respect to the Securities of any series and to add to or change any of the provisions of the Indenture as shall be necessary to provide for or facilitate the administration of the Indenture by more than one Trustee or to provide for the issuance of Additional Notes in accordance with the limitations of the Indenture.

11. *Defaults and Remedies.* In the case of an Event of Default arising from certain events of bankruptcy or insolvency, with respect to the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, all Outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then Outstanding Notes may declare all the Notes to be due and payable immediately by notice in writing to the Company specifying the Event of Default. Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then Outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then Outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Notes.

12. *Trustee Dealings with Company.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

13. *No Recourse Against Others.* No director, officer, manager, employee, incorporator, stockholder, member or partner of the Company or any Guarantor, as such, shall have any liability for any obligations of the Company or of the Guarantors under this Note, the Indenture or the Note Guarantees, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

14. *Authentication.* This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

15. *CUSIP Numbers.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Company shall furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

Re: The GEO Group, Inc. – Public Offering of \$350,000,000 6.00% Senior Notes due 2026

Ladies and Gentlemen:

We have acted as counsel to The GEO Group, Inc., a Florida corporation (the “Company”) and the subsidiary guarantors of the Company set forth in the Registration Statement (as defined below) (the “Subsidiary Guarantors” and, together with the Company, the “Registrants”), in connection with (i) that certain registration statement on Form S-3 filed by the Registrants with the Securities and Exchange Commission (the “Commission”) on September 12, 2014, as amended by Post-Effective Amendment No. 1 filed by the Registrants with the Commission on April 11, 2016 (the “Registration Statement”) under the Securities Act of 1933, as amended (the “Securities Act”), and (ii) the Company’s offering and sale of \$350,000,000 6.00% Senior Notes due 2026 (the “Notes”) and the related guarantees of the Notes by the Subsidiary Guarantors (the “Note Guarantees”). The Registration Statement registers the offering from time to time, pursuant to Rule 415 under the Securities Act, of (i) common stock, par value \$0.01 per share, of the Company (the “Common Stock”), (ii) preferred stock, par value \$0.01 per share, of the Company (the “Preferred Stock”), (iii) debt securities of the Company (the “Debt Securities”) which may be senior or subordinated, (iv) guarantees of the Debt Securities (the “Guarantees”) by one or more of the Subsidiary Guarantors, (v) warrants to purchase Common Stock, Preferred Stock, Debt Securities or any combination thereof (the “Warrants”), and (vi) units consisting of one or more of the Company’s Common Stock, Preferred Stock, Debt Securities or Warrants, or any combination of those securities (the “Units” and, together with the Common Stock, the Preferred Stock, the Debt Securities, the Guarantees and the Warrants, the “Securities”). The Notes and the Note Guarantees are being offered and sold as described in the prospectus, dated September 12, 2014, contained in the Registration Statement (the “Base Prospectus”), the preliminary prospectus supplement thereto, dated April

akerman.com

11, 2016 (the "Preliminary Prospectus Supplement") and the final prospectus supplement thereto dated April 11, 2016 (the "Final Prospectus Supplement" and together with the Base Prospectus and the Preliminary Prospectus Supplement, the "Prospectus"). The Notes will be issued under the indenture, dated as of September 25, 2014, between the Company and Wells Fargo Bank, National Association, as trustee (the "Trustee") in substantially the same form as the form of indenture for senior debt securities filed with the Registration Statement (the "Base Indenture"). Certain terms of the Notes and Note Guarantees are being established pursuant to a Second Supplemental Indenture, dated April 18, 2016, among the Company, the Subsidiary Guarantors and the Trustee, to the Base Indenture (the "Supplemental Indenture" and together with the Base Indenture, the "Indenture"). We refer herein to the Subsidiary Guarantors listed on Annex I hereto, each of which is formed or organized under the laws of the States of Florida, Delaware, California and Illinois, as the "Specified Subsidiary Guarantors."

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act. This opinion letter is limited to the matters expressly stated herein and no opinions are to be inferred or may be implied beyond the opinion expressly so stated.

In connection with this opinion, we have examined the organizational documents of the Company and of the Subsidiary Guarantors, and such corporate records, documents, instruments, certificates of public officials, the Company and the Subsidiary Guarantors and such questions of law as we have deemed necessary for the purpose of rendering the opinions set forth herein. We have also examined the Registration Statement, Prospectus, the Underwriting Agreement, dated April 11, 2016, by and among the Company, the Subsidiary Guarantors, and Wells Fargo Securities, LLC, as representative of the several underwriters named therein (the "Underwriting Agreement"), the Indenture and a specimen of the Notes (the "Specimen" and collectively with the Underwriting Agreement and the Indenture, the "Opinion Documents"). In such examination, we have assumed (a) the authenticity of original documents and the genuineness of all signatures; (b) the conformity to the originals of all documents submitted to us as copies; and (c) the truth, accuracy and completeness of the information, representations and warranties contained in the records, documents, instruments and certificates we have reviewed. As to any facts material to the opinions expressed herein that we did not independently establish or verify, we have relied upon statements and representations of officers and other representatives of the Company, the Subsidiary Guarantors and others.

When used in this opinion letter, the term "Applicable Laws" means Florida and federal laws, rules and regulations that a Florida counsel exercising customary professional diligence would reasonably be expected to recognize as being applicable to the Company, and the Subsidiary Guarantors; provided, however, that Applicable Laws does not include any law, rule or regulation that is applicable to the Company or the Subsidiary Guarantors solely because such law, rules or regulation is part of a regulatory regime applicable to such or any of its affiliates due to the specific assets or business of such party or affiliate. Further, "Applicable Laws" with respect to the Specified Subsidiary Guarantors also includes the General Corporation Law of the State of California, General Corporation Law of the State of Delaware, the Delaware Limited Liability Company Act, the Delaware Limited Partnership Act and the Business Corporation Act of 1983 of the State of Illinois

Based upon and subject to the foregoing, and subject to the qualifications set forth below, it is our opinion that:

1. The Company is a Florida corporation that is validly existing and in good standing under Florida law.
2. Based solely on certificates of good standing, each of the Specified Subsidiary Guarantors is a corporation, limited partnership or limited liability company, as applicable validly existing and in good standing under the laws of the jurisdiction of their incorporation.
3. The Company has the corporate power to execute and deliver the Opinion Documents to which it is a party and to perform its respective obligations thereunder.
4. Each of the Specified Subsidiary Guarantors has the entity power to execute and deliver the Opinion Documents to which it is a party and to perform its respective obligations thereunder.
5. The Company has authorized the execution, delivery and performance of the Opinion Documents to which it is a party by all necessary corporate action.
6. Each of the Specified Subsidiary Guarantors has authorized the execution, delivery and performance of the Opinion Documents to which it is a party by all necessary corporate, limited partnership or limited liability company action.
7. The Base Indenture has been executed and delivered by the Company and the Supplemental Indenture has been executed and delivered by the Company and the Specified Subsidiary Guarantors.
8. The Base Indenture is a legal, valid and binding obligation of the Company and the Supplemental Indenture is a legal, valid and binding obligation of each of the Company and the Subsidiary Guarantors, enforceable against each such party in accordance with its terms.
9. The Notes have been duly authorized, and when the Notes have been duly executed and delivered by the Company and authenticated by the Trustee in accordance with the terms of the Indenture and delivered and paid for as provided in the Underwriting Agreement, the Notes will be the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms and entitled to the benefit of the Indenture.

10. When the Notes have been duly executed and delivered by the Company and authenticated by the Trustee in accordance with the terms of the Indenture and delivered and paid for as provided in the Underwriting Agreement, the Note Guarantees will be the legal, valid and binding obligations of the Subsidiary Guarantor which issued such Note Guarantee, enforceable against such Subsidiary Guarantor in accordance with its terms.

The opinions set forth above are subject to the effects of (a) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting the enforcement of creditors' rights generally, (b) general equitable principles (whether considered in a proceeding in equity or at law), (c) an implied covenant of good faith and fair dealing, (d) provisions of law that require that a judgment for money damages rendered by a court in the United States be expressed only in United States dollars, (e) limitations by any governmental authority that limit, delay or prohibit the making of payments outside the United States and (f) generally applicable laws that (i) provide for the enforcement of oral waivers or modifications where a material change of position in reliance thereon has occurred or provide that a course of performance may operate as a waiver, (ii) limit the availability of a remedy under certain circumstances where another remedy has been elected, (iii) limit the enforceability of provisions releasing, exculpating or exempting a party from, or requiring indemnification of a party for, liability for its own action or inaction, to the extent the action or inaction involves gross negligence, recklessness, willful misconduct or unlawful conduct, (iv) may, where less than all of a contract may be unenforceable, limit the enforceability of the balance of the contract to circumstances in which the unenforceable portion is not an essential part of the agreed exchange, (v) may limit the enforceability of provisions providing for compounded interest, imposing increased interest rates or late payment charges upon delinquency in payment or default or providing for liquidated damages or for premiums upon acceleration or (vi) limit the waiver of rights under usury laws. With respect to opinion 10, we have, without any investigation on our part, assumed the accuracy, and to the extent necessary in connection with the opinions contained herein, relied upon the opinions dated as of the date hereof furnished to you by: (i) Hughes Gorski Seedorf Odsen & Tervooren, LLC, as to matters of Alaska law; and (ii) Burns, Figa & Will, P.C., as to matters of Colorado law (collectively, the "Local Counsel Opinions"), and our opinions regarding the Subsidiary Guarantors who are the subject of the Local Counsel Opinions are subject to the same qualifications and limitations with respect to matters of Alaska and Colorado law as are expressed in each such Local Counsel Opinion.

This opinion letter speaks only as of the date hereof and we assume no obligation to update or supplement this opinion letter if any applicable laws change after the date of this opinion letter or if we become aware after the date of this opinion letter of any facts, whether existing before or arising after the date hereof, that might change the opinions expressed above.

No portion of this letter may be quoted, circulated or referred to in any other document for any other purpose without our prior written consent.

We hereby consent to the filing of this opinion letter with the Securities and Exchange Commission in connection with the filing of the Registration Statement referred to above. We also hereby consent to the reference to our firm under the heading "Legal Matters" in the

prospectus which forms a part of the Registration Statement. In giving this consent, we do not admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations of the Commission issued thereunder.

Very truly yours,

The Registration Statement registers the offering from time to time, pursuant to Rule 415 under the Act, of (i) common stock, par value \$0.01 per share, of the Parent (the "Common Stock"), (ii) preferred stock, par value \$0.01 per share, of the Parent (the "Preferred Stock"), (iii) the debt securities of the Parent which may be senior or subordinated (the "Debt Securities"), (iv) guarantees of the Debt Securities by one or more of the Subsidiary Guarantors, including the Company and GEO Reentry Alaska (the "Guarantees"), (v) warrants to purchase Common Stock, Preferred Stock, Debt Securities or any combination thereof (the "Warrants"), and (vi) units consisting of one or more of the Common Stock, Preferred Stock, Debt Securities or Warrants, or any combination thereof (the "Units") (collectively, the Common Stock,

Preferred Stock, Debt Securities and Warrants are referred to as the “Securities”). The Notes and the Note Guarantees are being offered and sold as described in the prospectus, dated September 12, 2014, contained in the Registration Statement (the “Base Prospectus”), the preliminary prospectus supplement dated April 11, 2016 (the “Preliminary Prospectus Supplement”) and the final prospectus supplement thereto, dated April 11, 2016 (the “Final Prospectus Supplement”) and, together with the Base Prospectus and the Preliminary Prospectus Supplement (the “Prospectus”). The Notes are to be issued under the Indenture, dated as of September 25, 2014, between Parent and Wells Fargo Bank, National Association, as trustee (the “Trustee”) in substantially the same form as the form of Indenture for senior debt securities filed with the Registration Statement (the “Base Indenture”). Based upon and subject to the foregoing, and subject to the qualifications set forth below, it is our opinion that:

1. Based solely on the Certificates of Compliance, the Company and GEO Reentry Alaska are both Alaska corporations that are validly existing and in good standing under Alaska law.
2. The Company and GEO Reentry Alaska each have the corporate power and authority to execute, deliver and perform its respective obligations under the Supplemental Indenture and have taken the required steps to authorize the execution and delivery of the Supplemental Indenture under the laws of the State of Alaska.

We express no opinion as to matters governed by laws of any jurisdiction other than the laws of the State of Alaska, as in effect on the date hereof.

This opinion letter speaks only as of the date hereof and we assume no obligation to update or supplement this opinion letter if any applicable laws change after the date of this opinion letter or if we become aware after the date of this opinion letter of any facts, whether existing before or arising after the date hereof, that might change the opinions expressed above.

We are providing no opinion whatsoever with respect to the compliance by the Company, GEO Reentry Alaska or the Parent with any federal securities laws or any State of Alaska securities or Blue Sky laws applicable to the Registration Statement or otherwise.

We are not expressing any opinion or making any representations in any manner whatsoever as to the assets, liabilities, net worth, earnings, creditworthiness or other financial condition of the Company, GEO Reentry Alaska or the Parent.

This opinion letter is furnished to you in connection with the filing of the Registration Statement, the Preliminary Prospectus Supplement and the Final Prospectus Supplement and, except as set forth below, may not be relied upon for any other purpose without our prior written consent in each instance. Further, no portion of this letter may be quoted, circulated or referred to in any other document for any other purpose without our prior written consent.
