Section 1 Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

On November 9, 2017, The GEO Group, Inc. ("GEO" or the "Company") entered into separate Equity Distribution Agreements (the "Equity Distribution Agreements") with each of SunTrust Robinson Humphrey, Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc., BNP Paribas Securities Corp., Fifth Third Securities, Inc., HSBC Securities (USA) Inc. and J.P. Morgan Securities LLC (the "Sales Agents"), pursuant to which the Company may sell from time to time, in a continuous equity offering program under its Registration Statement on Form S-3ASR (File No. 333-221055) shares of the Company's common stock, par value \$0.01 per share, having an aggregate offering price of up to \$150,000,000 (the "Shares") through the Sales Agents, acting as the Company's agent and/or principal. Sales of the Shares made pursuant to the Equity Distribution Agreements, if any, may be made in negotiated transactions that are deemed to be "at the market" offerings, including sales made directly on the New York Stock Exchange or sales made to or through a market maker other than on an exchange. Each Sales Agent will receive from the Company a commission of up to 2.0% of the gross sales price of all Shares sold through it under the applicable Equity Distribution Agreement.

This equity offering program replaces the equity offering program that was filed on November 10, 2014 under the Company's prior shelf registration statement on Form S-3ASR that expired on September 12, 2017.

The Company is not obligated to sell and the Sales Agents are not obligated to buy or sell any Shares under the Equity Distribution Agreements. No assurance can be given that the Company will sell any Shares under the Equity Distribution Agreements, or, if it does, as to the price or amount of Shares that it will sell, or the dates when such sales will take place.

The Company made certain customary representations, warranties and covenants in each of the Equity Distribution Agreements and also agreed to indemnify the Sales Agents against certain liabilities, including liabilities under the Securities Act of 1933, as amended.

Each Sales Agent has provided, and may in the future provide, various investment banking, commercial banking, fiduciary and advisory services for us from time to time for which they have received, and may in the future receive, customary fees and expenses. Certain of the Sales Agents or their respective affiliates are lenders under our senior credit facility. Each Sales Agent and their respective affiliates may, from time to time, engage in other transactions with and perform services for us in the ordinary course of their business.

In addition, in the ordinary course of their business activities, the Sales Agents and their respective affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Company or the Company's affiliates. The Sales Agents and their respective affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state. A form of the Equity Distribution Agreement is filed as Exhibit 1.1 to this Current Report on Form 8-K and the description of the material terms of the Equity Distribution Agreements in this Item 1.01 is qualified in its entirety by reference to Exhibit 1.1, which is incorporated herein by reference.

Certain legal opinions related to the Registration Statement are also filed as Exhibits 5.1 and 8.1 to this Current Report on Form 8-K.

Section 8 Other Events

Item 8.01. Other Events

The following disclosure provides an update to the Company's legal proceedings from the disclosure set forth in the Form 10-Q filed on November 3, 2017:

On October 22, 2014, nine current and former civil immigration detainees who were detained at the Aurora Immigration Detention Center filed a purported class action lawsuit against the Company in the United States District Court for the District of Colorado (the "Court"). The complaint alleged that the Company was in violation of the Colorado Minimum Wages of Workers Act and the Trafficking Victims Protection Act, and claimed that the Company was unjustly enriched as a result of the level of payment that the detainees received for work performed at the facility, even though the voluntary work program as well as the wage rates and standards associated with the program that are at issue in this case are authorized by the Federal government under guidelines approved by the United States Congress. On July 6, 2015, the Court granted the Company's motion to dismiss the claim against the Company under the Colorado Minimum Wages of Workers Act but otherwise denied the Company's motion to dismiss. On February 27, 2017, the Court granted the plaintiffs' motion for class certification. The Court ordered the parties to file a revised Proposed Stipulated Scheduling and Discovery Order by March 27, 2017 to proceed with the case. On March 13, 2017, GEO filed for permission to appeal this class certification order directly to the 10th Circuit Court of Appeal. On April 11, 2017, the 10th Circuit Court of Appeal granted GEO's petition to hear the case. As a result, GEO has filed a motion to stay the proceedings in the trial court. The Court has allowed limited discovery to proceed. The plaintiffs seek actual damages, compensatory damages, exemplary damages, punitive damages, restitution, attorneys' fees and costs, and such other relief as the Court may deem proper. The Attorney General for the State of Washington and a former detainee of the Northwest Detention Center in Tacoma, Washington (on behalf of a purported class) have also filed lawsuits against the Company regarding similar claims alleging violations of minimum wage statutes and/or unjust enrichment. The Company intends to take all necessary steps to vigorously defend itself and has consistently refuted the allegations and claims in the lawsuits. The Company has not recorded

an accrual relating to any of these matters at this time, as a loss is not considered probable nor reasonably estimable at this stage of the lawsuits. If the Company had to change the level of compensation under the voluntary work program, or to substitute employee work for voluntary work, this could increase the costs of operating these facilities.

EQUITY DISTRIBUTION AGREEMENT

November 9, 2017

[•]

Ladies and Gentlemen:

The GEO Group, Inc., a Florida corporation (the “Company”), confirms its agreement (this “Agreement”) with [•] (the “Manager”), as follows:

SECTION 1. Description of Securities.

The Company agrees that, from time to time during the term of this Agreement, on the terms and subject to the conditions set forth herein, it may issue and sell through the Manager, acting as agent and/or principal, shares (the “Securities”) of the Company’s common stock, par value \$0.01 per share (the “Common Stock”), having an aggregate sale price of up to \$150,000,000 (the “Maximum Amount”). Notwithstanding anything to the contrary contained herein, the parties hereto agree that compliance with the limitations set forth in this Section 1 regarding the number and aggregate sale price of the Securities issued and sold under this Agreement shall be the sole responsibility of the Company, and the Manager shall have no obligation in connection with such compliance. The issuance and sale of the Securities through the Manager will be effected pursuant to the Registration Statement (as defined below) that was filed by the Company and became effective upon filing pursuant to Rule 462(e) (“Rule 462 (e)”) under the Securities Act of 1933, as amended, and the rules and regulations thereunder (collectively, the “Securities Act”), although nothing in this Agreement shall be construed as requiring the Company to use the Registration Statement to issue the Securities. Subject to the provisions of Section 7(k), the Company reserves the right to issue and sell Securities other than to or through the Manager or any Alternative Manager (as defined below).

The Company has filed, in accordance with the provisions of the Securities Act, with the U.S. Securities and Exchange Commission (the “Commission”) a registration statement on Form S-3ASR (File No. 333-221055), including a base prospectus, relating to Common Stock, and which incorporates by reference documents that the Company has filed or will file in accordance with the provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (collectively, the “Exchange Act”). The Company has prepared a prospectus supplement specifically relating to the Securities (the “Prospectus Supplement”) to the base prospectus included as part of such registration statement. The Company will furnish to the Manager, for use by the Manager, copies of the prospectus included as part of such registration statement, as supplemented by the Prospectus Supplement, relating to the Securities. Except where the context otherwise requires, such registration statement and any Replacement Registration Statement (as defined in Section 7(a) hereof), in either case, as amended when it became effective, including all documents filed as part thereof or incorporated by reference therein, and including any information contained in a Prospectus (as defined below)

subsequently filed with the Commission pursuant to Rule 424(b) under the Securities Act or deemed to be a part of such registration statement pursuant to Rule 430B of the Securities Act, is herein called the "Registration Statement." The base prospectus, including all documents incorporated therein by reference, included in the Registration Statement, as it may be supplemented by the Prospectus Supplement, in the form in which such prospectus and/or Prospectus Supplement have most recently been filed by the Company with the Commission pursuant to Rule 424 (b) under the Securities Act is herein called the "Prospectus." Any reference herein to the Registration Statement, the Prospectus or any amendment or supplement thereto shall be deemed to refer to and include the documents incorporated by reference therein, and any reference herein to the terms "amend," "amendment" or "supplement" with respect to the Registration Statement or the Prospectus shall be deemed to refer to and include the filing after the execution hereof of any document with the Commission deemed to be incorporated by reference therein. For purposes of this Agreement, all references to the Registration Statement, the Prospectus or to any amendment or supplement thereto shall be deemed to include any copy filed with the Commission pursuant to EDGAR.

The Company has also entered into separate equity distribution agreements providing for the distribution by the Company of its Common Stock on terms and conditions substantially identical to the terms and conditions hereof (each, an "Alternative Distribution Agreement"), dated as of even date herewith, with [] (each, an "Alternative Manager"). The aggregate sale prices of the Securities that may be sold pursuant to this Agreement and all Alternative Distribution Agreements shall not exceed the Maximum Amount. This Agreement shall supersede and replace any existing Equity Distribution Agreement between the Company and the Manager.

SECTION 2. Placements.

Each time that the Company wishes to issue and sell the Securities hereunder (each, a "Placement"), it will notify the Manager by email notice (or other method mutually agreed to in writing by the parties) containing the parameters in accordance with which it desires the Securities to be sold, which shall at a minimum include the number of Securities to be issued (the "Placement Securities"), the time period during which sales are requested to be made, any limitation on the number of Securities that may be sold in any one day and any minimum price below which sales may not be made (a "Placement Notice"), a form of which containing such minimum sales parameters necessary is attached hereto as Exhibit A. Each Placement Notice shall originate from any of the individuals from the Company set forth on Exhibit B (with a copy to each of the other individuals from the Company listed on such schedule), and shall be addressed to each of the individuals from the Manager set forth on Exhibit B, as such Exhibit B may be amended from time to time. If the Manager wishes to accept the proposed terms included in a Placement Notice (which it may decline to do so for any reason in its sole discretion) or, following discussion with the Company, wishes to accept amended terms, the Manager will, prior to 4:30 p.m. (New York City time) on the business day following the business day on which such Placement Notice is delivered to the Manager, issue to the Company a notice by email (or other method mutually agreed to in writing by the parties) addressed to all of the individuals from the Company and the Manager set forth on Exhibit B setting forth the terms that the Manager is willing to accept. Where the terms provided in a Placement Notice are amended as provided for in the immediately preceding sentence, such terms will not be binding

on the Company or the Manager until the Company delivers to the Manager an acceptance by email (or other method mutually agreed to in writing by the parties) of all of the terms of such Placement Notice, as amended (the “Acceptance”), which email shall be addressed to all of the individuals from the Company and the Manager set forth on Exhibit B. Each Placement Notice (as amended by the corresponding Acceptance, if applicable) shall be effective upon receipt by the Company of the Manager’s acceptance of the terms of such Placement Notice or upon receipt by the Manager of the Company’s Acceptance, as the case may be, unless and until (i) the entire amount of the Placement Securities has been sold, (ii) in accordance with the notice requirements set forth in the second sentence of this paragraph, the Company terminates such Placement Notice, (iii) the Company issues a subsequent Placement Notice with parameters superseding those on the earlier dated Placement Notice, (iv) this Agreement has been terminated under the provisions of Section 13 or (v) either party shall have suspended the sale of the Placement Securities in accordance with Section 4 below; *provided, however*, that any notice pursuant to Section 4 shall not affect or impair either party’s obligations with respect to any Placement Securities sold hereunder prior to the receipt of such notice or any Securities sold under an Alternative Distribution Agreement. The amount of any discount, commission or other compensation to be paid by the Company to the Manager in connection with the sale of the Placement Securities shall be mutually agreed to in writing by the parties but shall not exceed 2% of the gross proceeds from the sale of any Placement Securities pursuant to this Agreement. It is expressly acknowledged and agreed that neither the Company nor the Manager will have any obligation whatsoever with respect to a Placement or any Placement Securities unless and until the Company delivers a Placement Notice to the Manager and either (i) the Manager accepts the terms of such Placement Notice or (ii) where the terms of such Placement Notice are amended, the Company accepts such amended terms by means of an Acceptance pursuant to the terms set forth above, and then only upon the terms specified in such Placement Notice (as amended by the corresponding Acceptance, if applicable) and herein. In the event of a conflict between the terms of this Agreement and the terms of a Placement Notice (as amended by the corresponding Acceptance, if applicable), the terms of such Placement Notice (as amended by the corresponding Acceptance, if applicable) will control. The sales parameters included in any Placement Notice may deviate from the minimum sales parameters included in Exhibit A if mutually agreed to in writing by the parties.

SECTION 3. Sale of Placement Securities by the Manager.

Subject to the provisions of Section 6(a), the Manager, for the period specified in the Placement Notice (as amended by the corresponding Acceptance, if applicable), will use its commercially reasonable efforts consistent with its normal trading and sales practices to sell the Placement Securities up to the amount specified, and otherwise in accordance with the terms of such Placement Notice (as amended by the corresponding Acceptance, if applicable). The Manager will provide written confirmation to the Company no later than the opening of the Trading Day (as defined below) immediately following the Trading Day on which it has made sales of Placement Securities hereunder setting forth the number of Placement Securities sold on such day, the compensation payable by the Company to the Manager pursuant to Section 2 with respect to such sales, and the Net Proceeds (as defined below) payable to the Company, with an itemization of the deductions made by the Manager (as set forth in Section 6(b)) from the gross proceeds that it receives from such sales. Subject to the terms of the Placement Notice (as amended by the corresponding Acceptance, if applicable), the Manager may sell Placement

Securities by any method permitted by law deemed to be an “at the market offering” as defined in Rule 415 of the Securities Act, including without limitation sales made directly on the New York Stock Exchange (“NYSE”), on any other existing trading market for the Common Stock or to or through a market maker. Subject to the terms of the Placement Notice (as amended by the corresponding Acceptance, if applicable), the Manager may also sell Placement Securities by any other method permitted by law, including but not limited to in privately negotiated transactions. For the purposes hereof, “Trading Day” means any day on which shares of Common Stock are purchased and sold on the principal market on which the Common Stock is listed or quoted.

SECTION 4. Suspension of Sales.

The Company or the Manager may, upon notice to the other party in writing (including by email correspondence to each of the individuals of the other party set forth on Exhibit B, if receipt of such correspondence is actually acknowledged by any of the individuals to whom the notice is sent, other than via auto-reply) or by telephone (confirmed immediately by verifiable facsimile transmission or email correspondence to each of the individuals of the other party set forth on Exhibit B), suspend any sale of Placement Securities; *provided, however*, that such suspension shall not affect or impair either party’s obligations with respect to any Placement Securities sold hereunder prior to the receipt of such notice or any Securities sold under an Alternative Distribution Agreement. Each of the parties agrees that no such notice under this Section 4 shall be effective against the other unless it is made to one of the individuals named on Exhibit B hereto, as such Exhibit B may be amended from time to time.

SECTION 5. Representations and Warranties.

(a) *Representations and Warranties of the Company.* The Company represents and warrants to the Manager as of the date hereof, as of each Representation Date (as defined below) on which a certificate is required to be delivered pursuant to Section 7(o) of this Agreement, as of each Applicable Time and as of each Settlement Date (as defined below), and agrees with the Manager, as follows:

(1) Compliance with Registration Requirements. The Securities have been duly registered under the Securities Act pursuant to the Registration Statement. The Registration Statement became effective upon filing under Rule 462(e) under the Securities Act, and any Replacement Registration Statement has become effective under the Securities Act, no stop order preventing or suspending the use of any base prospectus, the Prospectus Supplement, the Prospectus or any Permitted Free Writing Prospectus (as defined below), or the effectiveness of the Registration Statement has been issued and no proceedings for such purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated by the Commission, and any request on the part of the Commission for additional information has been complied with.

At the respective times each of the Registration Statement, any Replacement Registration Statement and any post-effective amendments thereto became or becomes effective and as of the date hereof, the Registration Statement, any Replacement Registration Statement and any amendments and supplements thereto complied and will comply in all material respects with the requirements of the Securities Act. At the time

of its initial filing, as of the date hereof and on each Representation Date, the conditions for the use of Form S-3, as set forth in the General Instructions thereto, were and will be met. The Registration Statement meets, and the offering and sale of the Securities as contemplated hereby complies with, the requirements of Rule 415 under the Securities Act (including, without limitation, Rule 415(a)(5)). The Registration Statement, as of the date hereof and each effective date with respect thereto, did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. Neither the Prospectus nor any amendments or supplements thereto, as of their respective dates, and at each Applicable Time and Settlement Date, as the case may be, included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The representations and warranties set forth in the immediately preceding paragraph shall not apply to statements in or omissions from the Registration Statement or the Prospectus, as amended or supplemented, made in reliance upon and in conformity with information furnished to the Company in writing by the Manager or an Alternative Manager expressly for use therein.

The copies of the Registration Statement and any Replacement Registration Statement and any amendments thereto, any other preliminary prospectus, each Issuer Free Writing Prospectus that is required to be filed with the Commission pursuant to Rule 433 and the Prospectus and any amendments or supplements thereto delivered and to be delivered to the Manager (electronically or otherwise) in connection with the offering of the Securities were and will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

Each Issuer Free Writing Prospectus relating to the Securities, as of its issue date and as of each Applicable Time and Settlement Date, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement or the Prospectus, including any incorporated document deemed to be a part thereof that has not been superseded or modified, include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by the Manager or an Alternative Manager specifically for use therein.

At the time of the initial filing of the Registration Statement, at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Securities Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Exchange Act or form of prospectus), at the time the Company or any person acting on its behalf (within the meaning, for this paragraph only, of Rule 163(c) of the Securities Act) made any offer

relating to the Securities in reliance on the exemption of Rule 163 of the Securities Act and at the date hereof, the Company was and is a “well-known seasoned issuer” as defined in Rule 405 of the Securities Act, including not having been and not being an “ineligible issuer,” as defined in Rule 405 of the Securities Act; and, without limitation to the foregoing, the Company has at all relevant times met, meets and will at all relevant times meet the requirements of Rule 164 for the use of a free writing prospectus (as defined in Rule 405) in connection with the offering contemplated hereby.

Each document incorporated by reference in the Registration Statement or the Prospectus heretofore filed, when it was filed (or, if any amendment with respect to any such document was filed, when such amendment was filed), conformed in all material respects with the requirements of the Exchange Act, and any further documents so filed and incorporated after the date of this Agreement will, when they are filed, conform in all material respects with the requirements of the Exchange Act; no such document when it was filed (or, if an amendment with respect to any such document was filed, when such amendment was filed), contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading; and no such document, when it is filed, will contain an untrue statement of a material fact or will omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading.

(2) Prior Written Communications. Any offer that is a written communication relating to the Securities made prior to the initial filing of the Registration Statement by the Company or any person acting on its behalf (within the meaning, for this paragraph only, of Rule 163(c) of the Securities Act) has been filed with the Commission in accordance with the exemption provided by Rule 163 of the Securities Act and otherwise complied with the requirements of Rule 163 of the Securities Act, including without limitation the legending requirement.

(3) Accuracy of Statements in Prospectus. The statements in the Prospectus under the headings “United States Federal Income Tax Considerations,” “Description of Capital Stock” and “Plan of Distribution” and the information in the Registration Statement under Part II, Item 15, insofar as such statements summarize legal matters, summaries of agreements or documents, or summaries of legal matters or proceedings, accurately and fairly present and summarize the matters referred to therein; *provided, however*, that the foregoing sentence shall not apply to statements made in reliance upon and in conformity with information furnished to the Company in writing by the Manager or an Alternative Manager expressly for use therein.

(4) Description of Securities. The Common Stock, the authorized but unissued Preferred Stock, and the Company’s charter and bylaws conform in all material respects to all of the respective statements relating thereto contained in the Registration Statement and the Prospectus and such statements conform to the rights set forth in the respective instruments and agreements defining the same.

(5) REIT Status. Commencing January 1, 2013, the Company has been organized and operating in conformity with the requirements for qualification and taxation as a real estate investment trust (a “REIT”) under the Internal Revenue Code of 1986, as amended (the “Code”), and the Company’s actual and proposed method of operation (as described in the Prospectus) does and will enable the Company to meet the requirements for qualification and taxation as a REIT under the Code. All statements regarding the Company’s qualification and taxation as a REIT and descriptions of the Company’s organization and proposed method of operation set forth in the Prospectus are true, complete and correct in all material respects.

(6) Permitted Free Writing Prospectus. The Company has not distributed and will not distribute any offering material in connection with the offering and sale of the Securities to be sold hereunder by the Manager as principal or agent for the Company, other than the Prospectus and any Permitted Free Writing Prospectus reviewed and consented to by the Manager.

(7) Authorization of Agreement. This Agreement has been, and any Placement Notice will be, duly authorized, executed and delivered by the Company.

(8) Authorization of Securities. The Securities to be sold by the Company pursuant to this Agreement have been duly authorized for issuance and sale to the Manager pursuant to this Agreement and, when issued and delivered by the Company pursuant to this Agreement against payment of the consideration set forth herein, will be validly issued, fully paid and non-assessable.

(9) No Transfer Taxes. There are no transfer taxes or other similar fees or charges under federal law or the laws of any state, or any political subdivision thereof, required to be paid in connection with the execution and delivery of this Agreement or the issuance by the Company or sale by the Company of the Securities.

(10) No Applicable Registration or Other Similar Rights. There are no persons with registration or other similar rights to have any equity or debt securities registered for sale under the Registration Statement or included in the offering contemplated by this Agreement or otherwise registered by the Company under the Securities Act, except for such rights as have been duly waived or fulfilled in the case of the registered exchange offers consummated for the benefit of the holders of the Company’s 5.875% senior notes due 2022 and the 5.125% senior notes due 2023.

(11) No Material Adverse Change in Business. Since the respective dates as of which information is given in the Registration Statement and the Prospectus (in each case exclusive of any amendments or supplements thereto subsequent to the date of this Agreement), except as otherwise stated therein, (i) there has been no material adverse change, or any development that could reasonably be expected to result in a material adverse change, in the condition, financial or otherwise, or in the earnings, business, properties, operations or prospects, whether or not arising from transactions in the ordinary course of business, of the Company and its subsidiaries, considered as one entity (any such change is called a “Material Adverse Effect”); (ii) the Company and its subsidiaries, considered as one entity, have not incurred any material liability or obligation, indirect, direct or contingent, nor entered into any material transaction or

agreement; and (iii) there has been no dividend or distribution of any kind declared, paid or made by the Company except for regular quarterly dividends on the Common Stock or, except for dividends paid to the Company or other subsidiaries, any of its subsidiaries on any class of capital stock or repurchase or redemption by the Company or any of its subsidiaries of any class of capital stock.

(12) Independent Accountants. Grant Thornton LLP, who has expressed its opinions with respect to the Company's financial statements (which term as used in this Agreement includes the related notes thereto) and supporting schedules and internal control over financial reporting filed with the Commission as a part of the Registration Statement and included in the Prospectus, is an independent registered public accounting firm with respect to the Company as required by the Securities Act, the Exchange Act, the applicable published rules and regulations thereunder and the Public Company Accounting Oversight Board ("PCAOB").

(13) Financial Statements. The financial statements filed with the Commission as a part of or incorporated by reference in the Registration Statement and the Prospectus present fairly the consolidated financial position of the Company and its subsidiaries, as the case may be, as of and at the dates indicated and the results of their respective operations, comprehensive income and cash flows for the periods specified. The supporting schedules included or incorporated by reference in the Registration Statement and the Prospectus present fairly the information required to be stated therein. Such financial statements and supporting schedules comply as to form with the applicable accounting requirements of the Securities Act and have been prepared in conformity with generally accepted accounting principles as applied in the United States ("GAAP") applied on a consistent basis throughout the periods involved, except as may be expressly stated in the related notes thereto. the Company, to enter into and perform its obligations under this Agreement. Each of the Company and each subsidiary is duly qualified and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except for such jurisdictions where the failure to so qualify or to be in good standing would not, in the aggregate, result in a Material Adverse Effect. All of the issued and outstanding shares of capital stock or other ownership interests of each subsidiary have been duly authorized and validly issued, are fully paid and nonassessable and are owned by the Company, directly or through subsidiaries, free and clear of any security interest, mortgage, pledge, lien, encumbrance or claim, except for liens in favor of the lenders under the Third Amended and Restated Credit Agreement, dated as of March 23, 2017, among the Company and GEO Corrections Holdings, Inc., as borrowers, BNP Paribas, as administrative agent, and the lenders party thereto (the "Credit Agreement"). The Company does not own or control, directly or indirectly, any corporation, association or other entity other than the subsidiaries listed on Schedule I hereto.

The description of the Company's stock option, stock bonus and other stock plans or arrangements, and the options or other rights granted thereunder, set forth or incorporated by reference in the Registration Statement and the Prospectus accurately and fairly presents the information required to be shown with respect to such plans, arrangements, options and rights and all such plans have been approved or adopted in accordance with applicable law, rule or regulations, including without limitation, the rules of the NYSE.

(16) Non-Contravention of Existing Instruments; No Further Authorizations or Approvals Required. Neither the Company nor any of its subsidiaries is (i) in violation or in default (or, with the giving of notice or lapse of time, would be in default) ("Default") under its charter, by-laws or organizational documents, (ii) in Default under any indenture, mortgage, loan or credit agreement, deed of trust, license or other agreement or instrument to which the Company or such subsidiary is a party or by which it may be bound, or to which any of the property or assets of the Company or any of its subsidiaries is subject (each, an "Existing Instrument") or (iii) in violation of any statute, law, rule, regulation, judgment, order or decree of any court, regulatory body, administrative

No consent, approval, authorization or other order of, or registration or filing with, any court or other governmental or regulatory authority or agency is required for the Company's execution, delivery and performance of this Agreement and consummation of the transactions contemplated hereby and by the Prospectus, except such as have been obtained or made by the Company and are in full force and effect under the Securities Act, applicable state securities or blue sky laws and the rules and regulations of the New York Stock Exchange. The real property, improvements, equipment and personal property held under lease by the Company or any of its subsidiaries are held under valid and enforceable leases, with such exceptions as are not material and do not materially interfere with the use made or proposed to be made of such real property, improvements, equipment or personal property by the Company or such subsidiary.

(22) Tax Returns. The Company and each of its subsidiaries has filed all necessary federal, state, local and foreign tax returns in a timely manner, subject to permitted extensions, and has paid (i) all taxes required to be paid by any of them and (ii) any related or similar assessment, fine or penalty levied against any of them, in all cases in a timely manner, except for any taxes, assessments, fines or penalties as may be being contested in good faith and by appropriate proceedings and with respect to which all appropriate provisions have been made in accordance with GAAP in the applicable financial statements referred to in Section 5(a)(13) above in respect of all federal, state, local and foreign taxes for all periods as to which the tax liability of the Company or any of its consolidated subsidiaries has not been finally determined.

(24) Insurance. The Company and its subsidiaries are insured by recognized, financially sound and reputable institutions with policies in such amounts and with such deductibles and covering such risks as are generally deemed adequate and customary for their businesses including, but not limited to, policies covering real and personal property owned or leased by the Company and its subsidiaries against theft, damage, destruction, acts of vandalism and earthquakes. All policies of insurance and fidelity or surety bonds insuring the Company or any of its subsidiaries or their respective businesses, assets, employees, officers and directors are in full force and effect; the Company and its subsidiaries are in compliance with the terms of such policies and instruments in all material respects; and there are no material claims by the Company or any of its subsidiaries under any such policy or instrument as to which any insurance company is denying liability or defending under a reservation of rights clause; and neither the Company nor any such subsidiary has been refused any insurance coverage sought or applied for. On each Settlement Date, the Manager will deliver the related Net Proceeds in same day funds to an account designated by the Company on, or prior to, such Settlement Date. The Company agrees that if the Company, or its transfer agent (if applicable), defaults in its obligation to deliver Placement Securities on a Settlement Date, in addition to and in no way limiting the rights and obligations set forth in Section 10(a) hereto, the Company will (i) hold the Manager harmless against any loss, liability, claim, damage, or expense whatsoever (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Company or its transfer agent and (ii) pay to the Manager any commission, discount, or other compensation to which it would otherwise have been entitled absent such default.

(d) *Denominations; Registration.* Certificates for the Securities shall be in such denominations and registered in such names as the Manager may request in writing at least one full business day before the Settlement Date. The certificates for the Securities will be made available for examination and packaging by the Manager in The City of New York not later than noon (New York time) on the business day prior to the Settlement Date. The Company shall deliver the Securities, if any, through the facilities of The Depository Trust Company unless the Manager shall otherwise instruct.

(e) *Limitations on Offering Size.* Under no circumstances shall the Company cause or request the offer or sale of any Securities, if after giving effect to the sale of such Securities, the aggregate offering price of the Securities sold pursuant to this Agreement and all Alternative Distribution Agreements would exceed the lesser of (A) the Maximum Amount and (B) the amount authorized from time to time to be issued and sold by the Company under this Agreement and all Alternative Distribution Agreements and notified to the Manager in writing. Under no circumstances shall the Company cause or request the offer or sale of any Securities pursuant to this Agreement at a price lower than the minimum price authorized from time to time by the Company and notified to the Manager in writing. Further, under no circumstances shall the aggregate offering price of Securities sold pursuant to this Agreement and all Alternative Distribution Agreements, including any separate underwriting or similar agreement covering principal transactions described in Section 1 of this Agreement, exceed the Maximum Amount.

(f) *Limitations on Managers.* The Company agrees that any offer to sell, any solicitation of an offer to buy or any sales of Securities shall only be effected by or through only one of the Manager or any Alternative Manager on any single given day, but in no event more than one, and the Company shall in no event request that the Manager and any Alternative Manager sell Securities on the same day.

(g) *Blackout Periods.* Notwithstanding any other provision of this Agreement, the Company shall not offer, sell or deliver, or request the offer or sale of, any Securities and, by notice to the Manager given by telephone (confirmed promptly by facsimile transmission or email), shall cancel any instructions for the offer or sale of any Securities, and the Manager shall not be obligated to offer or sell any Securities, (i) during any period in which the Company is, or could be deemed to be, in possession of material non-public information or (ii) except as provided in Section 6 (h), at any time from and including the date (each, an “Announcement Date”) on which the Company shall issue a press release containing, or shall otherwise publicly announce, its earnings, revenues or other results of operations (each, an “Earnings Announcement”) through and including the time that is 24 hours after the time that the Company files (a “Filing Time”) a Quarterly Report on Form 10-Q or an Annual Report on Form 10-K that includes consolidated financial statements as of and for the same period or periods, as the case may be, covered by such Earnings Announcement.

(h) *Sales during Quarterly Blackout Periods.* If the Company wishes to offer, sell or deliver Securities at any time during the period from and including an Announcement Date through and including the time that is 24 hours after the corresponding Filing Time, the Company shall (i) prepare and deliver to the Manager (with a copy to its counsel) a draft of a Current Report on Form 8-K which shall include substantially the same financial and related information as was set forth in the relevant Earnings Announcement (other than any earnings projections, similar forward-looking data and officers’ quotations) (each, an “Earnings 8-K”), in form and substance reasonably satisfactory to the Manager, and obtain the consent of the Manager to the filing thereof (such consent not to be unreasonably withheld), (ii) provide the Manager with the officers’ certificate, opinions/letters of counsel and accountants’ letter called for by Sections 7(o), (p) and (q); respectively, (iii) afford the Manager the opportunity to conduct

a due diligence review in accordance with Section 7(m) and (iv) file such Earnings 8-K with the Commission, and the provisions of clause (ii) of Section 6(g) shall not be applicable for the period from and after the time at which the foregoing conditions shall have been satisfied (or, if later, the time that is 24 hours after the time that the relevant Earnings Announcement was first publicly released) through and including the time that is 24 hours after the Filing Time of the relevant Quarterly Report on Form 10-Q or Annual Report on Form 10-K under the Exchange Act, as the case may be. For purposes of clarity, the parties hereto agree that (A) the delivery of any officers' certificate, opinions/letters of counsel and accountants' letter pursuant to this Section 6(h) shall not relieve the Company from any of its obligations under this Agreement with respect to any Quarterly Report on Form 10-Q or Annual Report on Form 10-K, as the case may be, including, without limitation, the obligation to deliver officers' certificates, opinions/letters of counsel and accountants' letters as provided in Section 7 and (B) this Section 6(h) shall in no way affect or limit the operation of the clause (i) of Section 6(g), which shall have independent application.

SECTION 7. Covenants of the Company. The Company covenants with the Manager as follows:

(a) *Registration Statement Amendments; Payment of Fees.* After the date of this Agreement and during any period in which a Prospectus relating to any Placement Securities is required to be delivered by the Manager under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), (i) the Company will notify the Manager promptly of the time when any subsequent amendment to the Registration Statement, other than documents incorporated by reference, has been filed with the Commission and/or has become effective or any subsequent supplement to the Prospectus has been filed and of any comment letter from the Commission or any request by the Commission for any amendment or supplement to the Registration Statement or Prospectus or for additional information; (ii) the Company will prepare and file with the Commission, promptly upon the Manager's request, any amendments or supplements to the Registration Statement or Prospectus that, in the Manager's reasonable opinion, may be necessary or advisable in connection with the distribution of the Placement Securities by the Manager (*provided, however*, that the failure of the Manager to make such request shall not relieve the Company of any obligation or liability hereunder, or affect the Manager's right to rely on the representations and warranties made by the Company in this Agreement); (iii) the Company will not file any amendment or supplement to the Registration Statement or Prospectus, other than documents incorporated by reference, relating to the Placement Securities or a security convertible into the Placement Securities unless a copy thereof has been submitted to the Manager within a reasonable period of time before the filing and the Manager has not reasonably objected thereto (*provided, however*, that the failure of the Manager to make such objection shall not relieve the Company of any obligation or liability hereunder, or affect the Manager's right to rely on the representations and warranties made by the Company in this Agreement) and the Company will furnish to the Manager at the time of filing thereof a copy of any document that upon filing is deemed to be incorporated by reference into the Registration Statement or Prospectus, except for those documents available via EDGAR; and (iv) the Company will cause each amendment or supplement to the Prospectus, other than documents incorporated by reference, to be filed with the Commission as required pursuant to the applicable paragraph of Rule 424(b) of the Securities Act (without reliance on Rule 424(b)(8) of the Securities Act). If immediately prior to the third anniversary (the "Renewal Deadline") of

the initial effective date of the Registration Statement, any of the Securities remain unsold, then, prior to issuing any Placement Notice with respect to any such unsold Securities, the Company will take such action as is necessary or appropriate in accordance with this Section 7(a) to permit the public offering and sale of the Securities to continue as contemplated in the Prospectus forming part of the expiring Registration Statement. In such event, if the Company has not already done so and is eligible to do so, it will, prior to the Renewal Deadline, file with the Commission either (A) a new automatic shelf registration statement or (B), if the Company is not then eligible to file an automatic shelf registration statement, a new shelf registration statement in either case, relating to any unsold Securities and in a form satisfactory to the Manager and its counsel (such filing, a "Replacement Registration Statement"). If the Replacement Registration Statement does not become effective upon filing under Rule 462(e) of the Securities Act, the Company will use its commercially reasonable efforts to cause such Replacement Registration Statement to be declared effective by, or as soon as possible (and in any event within 180 days) after, the Renewal Deadline. The Company will pay the fees required by the Commission relating to the Placement Securities within the time required by Rule 456(b)(1) without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r). The Company will use its commercially reasonable efforts to take all other action necessary or appropriate to permit the public offering and sale of any unsold Securities to continue as contemplated in the Prospectus forming part of the expiring Registration Statement.

(b) *Notice of Commission Stop Orders.* The Company will advise the Manager, promptly after it receives notice or obtains knowledge thereof, of the issuance or threatened issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any other order preventing or suspending the use of the Prospectus or any Issuer Free Writing Prospectus, or of the suspension of the qualification of the Placement Securities for offering or sale in any jurisdiction or of the loss or suspension of any exemption from any such qualification, or of the initiation or threatening of any proceedings for any of such purposes, or of any examination pursuant to Section 8(e) of the Securities Act concerning the Registration Statement or if the Company becomes the subject of a proceeding under Section 8A of the Securities Act in connection with the offering of the Securities. The Company will make every reasonable effort to prevent the issuance of any stop order, the suspension of any qualification of the Securities for offering or sale and any loss or suspension of any exemption from any such qualification, and if any such stop order is issued or any such suspension or loss occurs, to obtain the lifting thereof at the earliest possible moment.

(c) *Delivery of Registration Statement and Prospectus.* The Company will furnish to the Manager and its counsel (at the expense of the Company) copies of the Registration Statement, the Prospectus (including all documents incorporated by reference therein) and all amendments and supplements to the Registration Statement or Prospectus, and any Issuer Free Writing Prospectuses, that are filed with the Commission during any period in which a Prospectus relating to the Placement Securities is required to be delivered under the Securities Act (including all documents filed with the Commission during such period that are deemed to be incorporated by reference therein), in each case as soon as reasonably practicable and in such quantities and at such locations as the Manager may from time to time reasonably request; *provided*, however, that the Company shall not be required to furnish any document incorporated by reference in the Prospectus and any Issuer Free Writing Prospectus to the Manager to the extent any such document is available on EDGAR. The copies of the Registration Statement and the Prospectus and any supplements or amendments thereto furnished to the Manager will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(d) *Continued Compliance with Securities Laws.* If at any time when a Prospectus is required by the Securities Act or the Exchange Act to be delivered in connection with a pending sale of the Placement Securities (including, without limitation, pursuant to Rule 172), any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Manager or for the Company, to amend the Registration Statement or amend or supplement the Prospectus in order that the Prospectus will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time it is delivered to a purchaser, not misleading, or if it shall be necessary, in the opinion of such counsel, at any such time to amend the Registration Statement or amend or supplement the Prospectus in order to comply with the requirements of the Securities Act, the Company will promptly notify the Manager to suspend the offering of Placement Securities during such period and the Company will promptly prepare and file with the Commission such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement or the Prospectus comply with such requirements, and the Company will furnish to the Manager such number of copies of such amendment or supplement as the Manager may reasonably request. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted, conflicts or would conflict with the information contained in the Registration Statement or the Prospectus or included, includes or would include an untrue statement of a material fact or omitted, omits or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Company will promptly notify the Manager to suspend the offering of Placement Securities during such period and the Company will, subject to Section 7(a) hereof, promptly amend or supplement such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(e) *Blue Sky and Other Qualifications.* The Company will use its best efforts, in cooperation with the Manager, to qualify the Placement Securities for offering and sale, or to obtain an exemption for the Securities to be offered and sold, under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as the Manager may designate and to maintain such qualifications and exemptions in effect for so long as required for the distribution of the Securities (but in no event for less than one year from the date of this Agreement); *provided, however,* that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject. In each jurisdiction in which the Placement Securities have been so qualified or exempt, the Company will file such statements and reports as may be required by the laws of such jurisdiction to continue such qualification or exemption, as the case may be, in effect for so long as required for the distribution of the Placement Securities (but in no event for less than one year from the date of this Agreement).

(f) *Earnings Statement.* The Company will timely file such reports pursuant to the Exchange Act as are necessary in order to make generally available to its securityholders as soon as practicable an earnings statement for the purposes of, and to provide to the Manager the benefits contemplated by, the last paragraph of Section 11(a) of the Securities Act.

(g) *Use of Proceeds.* The Company will use the net proceeds received by it from the sale of the Securities in the manner specified in the Prospectus under “Use of Proceeds.”

(h) *Listing.* During any period in which the Prospectus relating to the Placement Securities is required to be delivered by the Manager under the Securities Act with respect to a pending sale of the Placement Securities (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), the Company will use its commercially reasonable efforts to cause the Placement Securities to be listed on the NYSE.

(i) *Filings with the NYSE.* The Company will timely file with the NYSE all material documents and notices required by the NYSE of companies that have or will issue securities that are traded on the NYSE.

(j) *Reporting Requirements.* The Company, during any period when the Prospectus is required to be delivered under the Securities Act and the Exchange Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), will file all documents required to be filed with the Commission pursuant to the Exchange Act within the time periods required by the Exchange Act.

(k) *Notice of Other Sales.* The Company will not, without (i) giving the Manager at least three (3) business days’ prior written notice specifying the nature of the proposed sale and the date of such proposed sale and (ii) the Manager suspending activity with respect to Placement Securities for such period of time as requested by the Company or as deemed appropriate by the Manager in light of the proposed sale, (A) offer, pledge, announce the intention to sell, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant for the sale of, lend or otherwise transfer or dispose of, directly or indirectly, any Common Stock or securities convertible into or exchangeable or exercisable for or repayable with Common Stock, or file any registration statement under the 1933 Act with respect to any of the foregoing (other than a shelf registration statement under Rule 415 under the Securities Act, a registration statement on Form S-8 or post-effective amendment to the Registration Statement) or (B) enter into any swap or other agreement or any transaction that transfers in whole or in part, directly or indirectly, any of the economic consequence of ownership of the Common Stock, or any securities convertible into or exchangeable or exercisable for or repayable with Common Stock, whether any such swap or transaction described in clause (A) or (B) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise. The foregoing sentence shall not apply to (x) the Securities to be offered and sold through the Manager pursuant to this Agreement, or the shares of Common Stock that may be sold pursuant to any Alternative Distribution Agreement, (y) Common Stock issuable pursuant to the Company’s employee stock purchase plan, as may be amended or replaced from time to time, or a dividend reinvestment plan that the Company may adopt and amend from time to time and (z) equity incentive awards approved by the Board of Directors or the compensation committee thereof or the issuance of Common Stock upon exercise or settlement thereof.

(l) *Change of Circumstances*. The Company will, at any time during a fiscal quarter in which the Company intends to tender a Placement Notice or sell Placement Securities, advise the Manager promptly after it shall have received notice or obtained knowledge thereof, of any information or fact that would alter or affect in any material respect any opinion, certificate, letter or other document provided to the Manager pursuant to this Agreement.

(m) *Due Diligence Cooperation*. The Company will cooperate with any reasonable due diligence review conducted by the Manager or its counsel or agents in connection with the transactions contemplated hereby, including, without limitation, providing information and making available documents and senior officers, during regular business hours and at the Company's principal offices, as the Manager may reasonably request.

(n) *Disclosure of Sales*. The Company will disclose in its quarterly reports on Form 10-Q and in its annual report on Form 10-K the aggregate number of shares of Common Stock sold through the Manager and each Alternative Manager pursuant to this Agreement and all Alternative Distribution Agreement, the net proceeds received by the Company with respect to all such sales pursuant to this Agreement and all Alternative Distribution Agreements, and the compensation payable by the Company to the Manager and each Alternative Manager with respect to all such sales pursuant to this Agreement and all Alternative Distribution Agreements.

(o) *Representation Dates; Certificate*. On or prior to the date that the first Securities are sold pursuant to the terms of this Agreement and:

(1) each time the Company:

(i) files the Prospectus relating to the Placement Securities or amends or supplements the Registration Statement or the Prospectus relating to the Placement Securities by means of a post-effective amendment, sticker, or supplement but not by means of incorporation of documents by reference into the Registration Statement or the Prospectus relating to the Placement Securities;

(ii) files an annual report on Form 10-K under the Exchange Act;

(iii) files a quarterly report on Form 10-Q under the Exchange Act; or

(iv) files a report on Form 8-K containing amended financial information (other than to "furnish" information contained in an earnings release pursuant to Items 2.02 or 7.01 of Form 8-K) under the Exchange Act; and

(2) at any other time reasonably requested by the Manager (each such date of filing of one or more of the documents referred to in clauses (1)(i) through (iv) and any time of request pursuant to this Section 7(o) shall be a "Representation Date"),

the Company shall furnish the Manager with a certificate, in the form attached hereto as Exhibit D and executed by the Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer or Treasurer of the Company, within five (5) Trading Days of any Representation Date, and in any event prior to the first sale of Securities pursuant to this Agreement and prior to the first sale of Securities on or after any such Representation Date. The

requirement to provide a certificate under this Section 7(o) shall be waived for any Representation Date occurring at a time at which no Placement Notice (as amended by the corresponding Acceptance, if applicable) is pending, which waiver shall continue until the earlier to occur of the date the Company delivers a Placement Notice hereunder (which for such calendar quarter shall be considered a Representation Date) and the next occurring Representation Date; *provided, however*, that such waiver shall not apply for any Representation Date on which the Company files its annual report on Form 10-K. Notwithstanding the foregoing, if the Company subsequently decides to sell Placement Securities following a Representation Date when the Company relied on such waiver and did not provide the Manager with a certificate under this Section 7(o), then before the Company delivers the Placement Notice or the Manager sells any Placement Securities, the Company shall provide the Manager with a certificate, in the form attached hereto as Exhibit D, dated the date of the Placement Notice.

(p) *Legal Opinions*. On or prior to the date that the first Securities are sold pursuant to the terms of this Agreement and on a date that is within five (5) Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit D for which no waiver is applicable, and in any event prior to the first sale of Securities pursuant to this Agreement and prior to the first sale of Securities on or after any such Representation Date pursuant to this Agreement, the Company shall cause to be furnished to the Manager (i) a written opinion of Akerman LLP, counsel to the Company ("Company Counsel"), or other counsel satisfactory to the Manager, in form and substance satisfactory to the Manager and its counsel, dated the date that the opinion is required to be delivered, substantially similar to the form attached hereto as Exhibit C, and (ii) a written opinion as to certain tax matters of Skadden, Arps, Slate, Meagher & Flom LLP, tax counsel to the Company ("Tax Counsel"), or other tax counsel satisfactory to the Manager, in form and substance satisfactory to the Manager and its counsel, dated the date that the opinion is required to be delivered, substantially similar to the form attached hereto as Exhibit F, each as modified, as necessary, to relate to the Registration Statement and the Prospectus as then amended or supplemented; *provided, however*, that in lieu of such opinions for subsequent Representation Dates, each counsel may furnish the Manager a letter (a "Reliance Letter") to the effect that the Manager may rely on the prior opinion delivered under this Section 7(p) to the same extent as if it was dated the date of such letter (except that statements in such prior opinions shall be deemed to relate to the Registration Statement and the Prospectus as amended or supplemented at such Representation Date).

(q) *Comfort Letter*. On or prior to the date that the first Securities are sold pursuant to the terms of this Agreement and on a date that is within five (5) Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit D for which no waiver is applicable, and in any event prior to the first sale of Securities pursuant to this Agreement and prior to the first sale of Securities on or after any such Representation Date pursuant to this Agreement, the Company shall cause its independent accountants (and any other independent accountants whose report is included in the Registration Statement or the Prospectus) to furnish the Manager letters (the "Comfort Letters"), dated the date of the Comfort Letter is delivered, in form and substance satisfactory to the Manager, (i) confirming that they are an independent registered public accounting firm within the meaning of the Securities Act, the Exchange Act and the PCAOB, (ii) stating, as of such date, the conclusions and findings of such firm with respect to the financial information and

other matters ordinarily covered by accountants' "comfort letters" to underwriters in connection with registered public offerings (the first such letter, the "Initial Comfort Letter") and (iii) updating the Initial Comfort Letter with any information that would have been included in the Initial Comfort Letter had it been given on such date and modified as necessary to relate to the Registration Statement and the Prospectus, as amended and supplemented to the date of such letter.

(r) *Market Activities*. The Company will not, directly or indirectly, (i) take any action designed to cause or result in, or that constitutes or might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities or (ii) sell, bid for, or purchase the Securities to be issued and sold pursuant to this Agreement, or pay anyone any compensation for soliciting purchases of the Securities to be issued and sold pursuant to this Agreement other than the Manager; *provided, however*, that the Company may bid for and purchase its Common Stock in accordance with Rule 10b-18 under the Exchange Act; and provided further, that no such bids or purchases shall be made by the Company during the three (3) Trading Days before or after any sale of any Securities pursuant to this Agreement.

(s) *Insurance*. The Company and its subsidiaries shall maintain, or caused to be maintained, insurance in such amounts and covering such risks as is reasonable and customary for companies engaged in similar businesses in similar industries.

(t) *Compliance with Laws*. The Company and each of its subsidiaries shall maintain, or cause to be maintained, all material environmental permits, licenses and other authorizations required by federal, state and local law in order to conduct their businesses as described in the Prospectus, and the Company and each of its subsidiaries shall conduct their businesses, or cause their businesses to be conducted, in substantial compliance with such permits, licenses and authorizations and with applicable environmental laws, except where the failure to maintain or be in compliance with such permits, licenses and authorizations would not reasonably be expected to have a Material Adverse Effect.

(u) *Investment Company Act*. The Company will conduct its affairs in such a manner so as to reasonably ensure that neither it nor its subsidiaries will be or become, at any time prior to the termination of this Agreement, an "investment company," as such term is defined in the Investment Company Act, assuming no change in the Commission's current interpretation as to entities that are not considered an investment company.

(v) *Securities Act and Exchange Act*. The Company will use its best efforts to comply with all requirements imposed upon it by the Securities Act and the Exchange Act as from time to time in force, so far as necessary to permit the continuance of sales of, or dealings in, the Placement Securities as contemplated by the provisions hereof and the Prospectus.

(w) *No Offer to Sell*. Other than a free writing prospectus (as defined in Rule 405 under the Securities Act) approved in advance in writing by the Company and the Manager in its capacity as principal or agent hereunder, the Company (including its agents and representatives, other than the Manager in its capacity as such) will not, directly or indirectly, make, use, prepare, authorize, approve or refer to any free writing prospectus relating to the Securities to be sold by the Manager as principal or agent hereunder.

(x) *Sarbanes-Oxley Act*. The Company and its subsidiaries will use their best efforts to comply with all effective applicable provisions of the Sarbanes-Oxley Act of 2002.

(y) *Regulation M*. If the Company has reason to believe that the exemptive provisions set forth in Rule 101(c)(1) of Regulation M under the Exchange Act are not satisfied with respect to the Company or the Common Stock, it shall promptly notify the Manager and sales of the Placement Securities under this Agreement shall be suspended until that or other exemptive provisions have been satisfied in the judgment of each party.

(z) *REIT Treatment*. Until such time as the board of directors of the Company deems it to be in the best interests of the Company and its stockholders not to remain qualified as a REIT, the Company will use its best efforts to meet the requirements for qualification and taxation as a REIT under the Code.

The Manager may, in its sole discretion, waive in writing the performance by the Company of any one or more of the foregoing covenants or extend the time for their performance.

SECTION 8. Payment of Expenses.

(a) *Expenses*. The Company will pay all expenses incident to the performance of its obligations under this Agreement, including (i) the preparation, printing and filing of the Registration Statement (including financial statements and exhibits) as originally filed and of each amendment and supplement thereto, (ii) the word processing, printing and delivery to the Manager of this Agreement and such other documents as may be required in connection with the offering, purchase, sale, issuance or delivery of the Placement Securities, (iii) the preparation, issuance and delivery of the certificates for the Placement Securities to the Manager, including any stock or other transfer taxes and any capital duties, stamp duties or other duties or taxes payable upon the sale, issuance or delivery of the Placement Securities to the Manager, (iv) the fees and disbursements of the counsel, accountants and other advisors to the Company, (v) the qualification or exemption of the Placement Securities under securities laws in accordance with the provisions of Section 7(e) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Manager in connection therewith and in connection with the preparation of the Blue Sky Survey and any supplements thereto, (vi) the printing and delivery to the Manager of copies of any permitted Free Writing Prospectus and the Prospectus and any amendments or supplements thereto and any costs associated with electronic delivery of any of the foregoing by the Manager to investors, (vii) the preparation, printing and delivery to the Manager of copies of the Blue Sky Survey and any Canadian “wrapper” and any supplements thereto, (viii) the fees and expenses of the Custodian and the transfer agent and registrar for the Securities, (ix) the filing fees incident to, and the reasonable fees and disbursements of counsel to the Manager in connection with, the review by FINRA of the terms of the sale of the Securities, (x) the fees and expenses incurred in connection with the listing of the Placement Securities on the NYSE, and (xi) the disbursements of counsel for the Manager in connection with the copying and delivery of closing documents delivered by the Company or the Company’s

accountants or counsel (including any local counsel) and (xii) all of the Manager's reasonable out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Manager incurred by the Manager in connection with the transactions contemplated by this Agreement.

(b) *Termination of Agreement.* If this Agreement is terminated by the Manager in accordance with the provisions of Section 9 or Section 13 (a)(i) hereof or as a result of trading in the Common Stock having been suspended or limited by the Commission or the NYSE (except if trading generally on the NYSE has been suspended), the Company shall reimburse the Manager for all of its out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Manager.

SECTION 9. Conditions of the Manager's Obligations. The obligations of the Manager hereunder with respect to a Placement will be subject to the continuing accuracy and completeness of the representations and warranties of the Company contained in this Agreement or in certificates of any officer of the Company delivered pursuant to the provisions hereof, to the performance by the Company of its covenants and other obligations hereunder, and to the following further conditions:

(a) *Effectiveness of Registration Statement.* The Registration Statement and any Replacement Registration Statement shall have become effective and shall be available for (i) all sales of Placement Securities issued pursuant to all prior Placement Notices (each as amended by a corresponding Acceptance, if applicable) and (ii) the sale of all Placement Securities contemplated to be issued by any Placement Notice (each as amended by a corresponding Acceptance, if applicable).

(b) *No Material Notices.* None of the following events shall have occurred and be continuing: (i) receipt by the Company or any of its subsidiaries of any request for additional information from the Commission or any other federal or state governmental authority during the period of effectiveness of the Registration Statement, the response to which would require any post-effective amendments or supplements to the Registration Statement or the Prospectus; (ii) the issuance by the Commission or any other federal or state governmental authority of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose; (iii) receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Placement Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; (iv) the occurrence of any event that makes any material statement made in the Registration Statement or the Prospectus, or any Issuer Free Writing Prospectus, or any material document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in the Registration Statement, the Prospectus, or any Issuer Free Writing Prospectus, or such documents so that, in the case of the Registration Statement, it will not contain any materially untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading and, that in the case of the Prospectus and any Issuer Free Writing Prospectus, it will not contain any materially untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(c) *No Misstatement or Material Omission.* The Manager shall not have advised the Company that the Registration Statement or Prospectus, or any Issuer Free Writing Prospectus, or any amendment or supplement thereto, contains an untrue statement of fact that in the Manager's reasonable opinion is material, or omits to state a fact that in the Manager's reasonable opinion is material and is required to be stated therein or is necessary to make the statements therein not misleading.

(d) *Material Changes.* Except as contemplated in the Prospectus, or disclosed in the Company's reports filed with the Commission, there shall not have been any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business.

(e) *Opinion of Counsels for Company.* The Manager shall have received the favorable opinions of Company Counsel and Tax Counsel (which, in the case of Company Counsel, includes negative assurances), required to be delivered pursuant to Section 7(p), on or before the date on which such delivery of such opinion is required pursuant to Section 7(p), as well as the favorable opinion and negative assurance of Shearman & Sterling LLP, in form and substance satisfactory to the Manager and its counsel, on or before the date on which delivery of the opinions described in Section 7(p) is required.

(h) *Approval for Listing.* The Placement Securities shall either have been (i) approved for listing on NYSE, subject only to notice of issuance, or (ii) the Company shall have filed an application for listing of the Placement Securities on NYSE at, or prior to, the issuance of any Placement Notice.

(i) *No Suspension.* Trading in the Securities shall not have been suspended on the NYSE.

(j) *Additional Documents.* On each date on which the Company is required to deliver a certificate pursuant to Section 7(o), counsel for the Manager shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, contained in this Agreement.

(k) *Securities Act Filings Made; Fees Paid.* All filings with the Commission required by Rule 424 under the Securities Act to have been filed prior to the issuance of any Placement Notice hereunder shall have been made within the applicable time period prescribed for such filing by Rule 424. The Company shall have paid the required Commission filing fees relating to

the Placement Securities within the time period required by Rule 456(b)(1) without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) and, if applicable, shall have updated the “Calculation of Registration Fee” table in the Registration Statement in accordance with Rule 456(b) either in a post-effective amendment to the Registration Statement or on the cover page of a Prospectus Supplement filed pursuant to Rule 424(b).

(l) *Termination of Agreement.* If any condition specified in this Section 9 shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Manager by notice to the Company, and such termination shall be without liability of any party to any other party except as provided in Sections 8, 10 and 11 hereof and except that, in the case of any termination of this Agreement, Sections 5, 8, 10, 11, 12 and 21 hereof shall survive such termination and remain in full force and effect.

SECTION 10. Indemnification.

(a) *Indemnification by the Company.* The Company agrees to indemnify and hold harmless the Manager, its affiliates, as such term is defined in Rule 501(b) under the Securities Act (each, an “Affiliate”), its directors, officers, employees and selling agents and each person, if any, who controls the Manager within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, or arising out of any untrue statement or alleged untrue statement of a material fact included in any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; *provided*, that (subject to Section 10(d) below) any such settlement is effected with the written consent of the Company; and

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Manager), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above,

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by the Manager or an Alternative Manager expressly for use in the Registration Statement (or any amendment thereto), or in any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto). The Company acknowledges that the names of the Manager and Alternative Managers set forth in the first paragraph under the heading “Plan of Distribution” in the Prospectus constitute the only information furnished in writing by or on behalf of the several Managers for inclusion in the Prospectus. This indemnity agreement set forth in this Section 10(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) *Indemnification by the Manager.* The Manager agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section 10, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Company by the Manager expressly for use therein, it being understood and agreed that the only such written information furnished by or on behalf of the Manager consists of the name of the Manager set forth in the first paragraph under the heading “Plan of Distribution” in the Prospectus.

(c) *Actions against Parties; Notification.* Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. Counsel to the indemnified parties shall be selected as follows: counsel to the Manager, its Affiliates, directors, officers, employees and selling agents and each person, if any, who controls the Manager within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall be selected by the Manager; and counsel to the Company, its directors, each of its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; *provided, however*, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying parties be liable for the fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for the Manager, its Affiliates, directors, officers, employees and selling agents and each person, if any, who controls the Manager within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, and the fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for the Company, its directors, each of its officers who signed the Registration Statement and each person, if any, who controls the Company within the

meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, in each case in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 10 or Section 11 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) *Settlement Without Consent if Failure to Reimburse.* If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 10(a)(ii) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

SECTION 11. Contribution. If the indemnification provided for in Section 10 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Manager on the other hand from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and of the Manager on the other hand in connection with the statements or omissions.

The relative benefits received by the Company on the one hand and the Manager on the other hand in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the total commissions received by the Manager, in each case as set forth on the cover of the Prospectus, bear to the aggregate public offering price of the Securities as set forth on such cover.

The relative fault of the Company on the one hand and the Manager on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Manager and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Manager agree that it would not be just and equitable if contribution pursuant to this Section 11 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 11. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 11 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 11, the Manager shall not be required to contribute any amount in excess of the total commissions received by the Manager in connection with the Securities sold by it.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 11, each Affiliate, selling agent, director, officer or employee of the Manager and each person, if any, who controls the Manager within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act and shall have the same rights to contribution as the Manager, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Company.

SECTION 12. Representations, Warranties and Agreements to Survive Delivery. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company or any of its subsidiaries submitted pursuant hereto, shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of the Manager or controlling person, or by or on behalf of the Company, and shall survive delivery of the Securities to the Manager.

SECTION 13. Termination of Agreement.

(a) *Termination; General.* The Manager may terminate this Agreement, by notice to the Company, as hereinafter specified at any time (i) if there has been, since the time of execution of this Agreement or since the date as of which information is given in the Prospectus, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or

economic conditions, in each case the effect of which is such as to make it, in the judgment of the Manager, impracticable or inadvisable to market the Securities or to enforce contracts for the sale of the Securities, or (iii) if trading in the Common Stock has been suspended or limited by the Commission or the NYSE, or if trading generally on the NYSE American, the NYSE or the NASDAQ Stock Market has been suspended or limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by order of the Commission, the FINRA or any other governmental authority, or a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States or in Europe, or (iv) if a banking moratorium has been declared by either Federal or New York authorities.

(b) *Termination by the Company.* The Company shall have the right, by giving three (3) days notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement.

(c) *Termination by the Manager.* The Manager shall have the right, by giving three (3) days notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement.

(d) *Automatic Termination.* Unless earlier terminated pursuant to this Section 13, this Agreement shall automatically terminate upon the issuance and sale of all of the Placement Securities through the Manager on the terms and subject to the conditions set forth herein with an aggregate sale price, together with the aggregate sale price of shares of Common Stock sold under the Alternative Distribution Agreements, equal to the amount set forth in Section 1 of this Agreement.

(e) *Continued Force and Effect.* This Agreement shall remain in full force and effect unless terminated pursuant to Section 9(l) or Sections 13 (a), (b), (c), or (d) above or otherwise by mutual agreement of the parties.

(f) *Effectiveness of Termination.* Any termination of this Agreement shall be effective on the date specified in such notice of termination; *provided, however,* that such termination shall not be effective until the close of business on the date of receipt of such notice by the Manager or the Company, as the case may be. If such termination shall occur prior to the Settlement Date for any sale of Placement Securities, such Placement Securities shall settle in accordance with the provisions of this Agreement.

(g) *Liabilities.* If this Agreement is terminated pursuant to this Section 13, such termination shall be without liability of any party to any other party except as provided in Sections 8, 10 and 11 hereof, and except that, in the case of any termination of this Agreement, Section 5, Section 8, Section 10, Section 11, Section 12, and Section 21 hereof shall survive such termination and remain in full force and effect.

SECTION 14. Notices. Except as otherwise provided in this Agreement, all notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Manager shall be directed to the Manager at [•],[•], fax no. [•], Attention: [•]; notices to the Company shall be directed to it at The GEO Group, Inc., One Park Place, Suite 700, 621 Northwest 53rd Street, Boca Raton, FL 33487, fax no. (561) 999-7657, Attention: Brian Evans.

SECTION 15. Parties. This Agreement shall inure to the benefit of and be binding upon the Manager, the Company and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Manager, the Company and their respective successors and the controlling persons and officers and directors referred to in Sections 10 and 11 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Manager, the Company and their respective successors, and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities from the Manager shall be deemed to be a successor by reason merely of such purchase.

SECTION 16. Adjustments for Stock Splits. The parties acknowledge and agree that all stock-related numbers contained in this Agreement shall be adjusted to take into account any stock split, stock dividend or similar event effected with respect to the Securities.

SECTION 17. Governing Law and Time; Consent to Jurisdiction. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE RELATING TO OR ARISING OUT OF THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. SPECIFIED TIMES OF DAY REFER TO NEW YORK CITY TIME. Any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby (“Related Proceedings”) may be instituted in the federal courts of the United States of America located in the City and County of New York or the courts of the State of New York in each case located in the City and County of New York (collectively, the “Specified Courts”), and each party irrevocably submits to the exclusive jurisdiction (except for suits, actions, or proceedings instituted in regard to the enforcement of a judgment of any Specified Court in a Related Proceeding, as to which such jurisdiction is non-exclusive) of the Specified Courts in any Related Proceeding. Service of any process, summons, notice or document by mail to such party’s address set forth above shall be effective service of process for any Related Proceeding brought in any Specified Court. The parties irrevocably and unconditionally waive any objection to the laying of venue of any Specified Proceeding in the Specified Courts and irrevocably and unconditionally waive and agree not to plead or claim in any Specified Court that any Related Proceeding brought in any Specified Court has been brought in an inconvenient forum.

EXHIBIT C

FORM OF OPINION OF COMPANY COUNSEL

1. The Company has been duly organized and is validly existing and in good standing as a corporation under the laws of the State of Florida and the Company has all power and authority necessary to own or hold its properties and to conduct the businesses in which it is engaged.

2. The Registration Statement has become effective under the Act. Insofar as is known to us, no stop order suspending the effectiveness of the Registration Statement has been issued under the Act and no proceedings for such purpose have been instituted or are pending or are contemplated or threatened by the Commission. Any required filing of the base prospectus and the Prospectus or any supplements thereto pursuant to the Securities Act have been made in the manner and within the time period required by the Securities Act.

3. The Registration Statement and the Prospectus (other than the financial statements, the related schedules and other financial data, as to which we do not express an opinion) comply as to form in all material respects with the requirements of the Securities Act and the rules and regulations thereunder.

4. Each of the documents incorporated by reference in the Registration Statement and the Prospectus and filed with the Commission prior to the date hereof (other than the financial statements and schedules and other financial data included therein or omitted therefrom, as to which we express no opinion), at the time they became effective or were filed with the Commission, complied as to form in all material respects with the requirements of the Securities Act or the Exchange Act, as applicable, and the rules and regulations thereunder.

5. Each Equity Distribution Agreement has been duly authorized, executed and delivered by the Company.

6. The Shares have been duly authorized for sale pursuant to each Equity Distribution Agreement and any Placement Notice, and, when issued and delivered to the purchasers thereof against payment therefor in accordance with the terms thereof, such Shares will be validly issued, fully paid and non-assessable and free of any preemptive or similar rights that entitle or will entitle any person to acquire any Shares upon the issuance thereof by the Company arising under the Articles of Incorporation or Bylaws of the Company or Florida law.

7. The Company's equity capitalization conforms to the description of the capital stock contained in the Registration Statement and the Prospectus. There are no preemptive or similar rights to subscribe for or to purchase any Common Stock of the Company arising by operation of law or under the Articles of Incorporation or Bylaws of the Company or Florida law. To our knowledge, except as described in the Prospectus, there are no warrants, options or similar rights to purchase any shares of Common Stock of the Company.

8. The Shares conform in all material respects to the description thereof contained in the Registration Statement and the Prospectus.

9. The Shares are duly listed, and admitted and authorized for trading, subject to official notice of issuance, on the New York Stock Exchange.

10. The Company is not and, after giving effect to the offering and sale of the Shares and the application of the proceeds thereof as described in the Prospectus, will not be an “investment company” as defined in the Investment Company Act of 1940, as amended.

11. No consent, approval, authorization, filing with or order of any court or governmental agency or body is required under Applicable Laws in connection with the transactions contemplated in each Equity Distribution Agreement, except such as have been obtained under the Securities Act and such as may be required under the blue sky laws of any jurisdiction in connection with the purchase and distribution of the Shares by each Agent in the manner contemplated in each Equity Distribution Agreement and any Placement Notice and the Prospectus, the clearance of such offering with the Financial Industry Regulatory Authority, Inc., any notice of issuance required to be delivered to the New York Stock Exchange and such other approvals as have been obtained.

12. The execution, delivery and performance of each Equity Distribution Agreement by the Company, the issuance and sale of the Shares and the consummation of the transactions contemplated by each Equity Distribution Agreement will not (a) constitute a breach of or a default under, or result in the creation of a security interest or a lien, charge or encumbrance upon any property or assets of the Company or any of its subsidiaries under the contracts identified on Exhibit A hereto to which the Company is party, (b) result in the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) under the contracts identified on Exhibit B receiving the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or (c) violate the Articles of Incorporation or Bylaws of the Company, violate any of the Applicable Laws or to our knowledge, violate any statute or any order, rule or regulation known to us of any court or governmental agency or body having jurisdiction over the Company or any of its properties or assets.

13. To our knowledge, neither the filing of the Registration Statement nor the offering or sale of the Shares as contemplated by each Equity Distribution Agreement or any Placement Notice gives rise to any rights for or relating to the registration of any securities of the Company with respect to such filing, offering or sale other than rights which have been waived or satisfied.

In addition, we have participated in conferences with officers and other representatives of the Company, representatives of the independent public accountants for the Company, general counsel of the Company, representatives of the Sales Agents and counsel for the Sales Agents, at which conferences the Disclosure Package and Prospectus Supplement were discussed. Although we have not independently verified and are not passing upon and do not assume any responsibility for the accuracy, completeness, or fairness of the statements contained in the Registration Statement, the Disclosure Package or the Prospectus (other than as specified above), on the basis of the foregoing, nothing has come to our attention that has caused us to believe that (1) the Registration Statement, at the time such Registration Statement became effective (including the information deemed to be part of the Registration Statement at the time it became effective pursuant to Rule 430A, 430B or 430C under the Securities Act), contained an

untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or (2) the Prospectus, as of the date thereof, or as of the date hereof, contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (it being understood that the foregoing comments in this paragraph do not include or cover the financial statements and notes thereto and related schedules and other financial data contained in or omitted from the Registration Statement or the Prospectus, or the exhibits to the Registration Statement).

Ladies and Gentlemen:

We have acted as counsel to The GEO Group, Inc., a Florida corporation (the "Company") in connection with the issuance and sale by the Company from time to time of common stock, par value \$0.01 per share, of the Company, having an aggregate offering price of up to \$150,000,000 (the "Shares"), pursuant to the several Equity Distribution Agreements, dated November 9, 2017 (the "Agreements") between the Company and each of SunTrust Robinson Humphrey, Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc., BNP Paribas Securities Corp., Fifth Third Securities, Inc., HSBC Securities (USA) Inc. and J.P. Morgan Securities LLC. The Shares have been registered on a Registration Statement on Form S-3ASR (Registration No. 333-221055), which became effective upon filing with the United States Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act") on October 20, 2017 (the "Registration Statement").

In connection with this opinion, and as a basis for the opinion hereinafter set forth, we have examined (i) the Registration Statement, including the prospectus contained therein, (ii) the Company's prospectus supplement, dated November 9, 2017, filed with the Commission pursuant to Rule 424(b) under the Securities Act (including the documents incorporated or deemed incorporated by reference therein) (the "Prospectus Supplement"), and (iii) the executed Agreements. We have also examined such corporate records, documents, instruments and certificates of public officials and of the Company that we have deemed necessary for the purpose of rendering the opinions set forth herein. We have also reviewed such matters of law as we have considered necessary or appropriate as a basis for the opinion set forth below.

This opinion letter is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act. This opinion letter is limited to the matters expressly stated herein and no opinions are to be inferred or implied beyond the opinions expressly so stated.

With your permission, we have made and relied upon the following assumptions, without any investigation or inquiry by us, and our opinion expressed below is subject to, and limited and qualified by the effect of, all such assumptions: (i) all corporate records furnished to us by the Company are accurate and complete; (ii) the Registration Statement, the Agreements and the Prospectus Supplement filed by the Company with the Commission are identical to the forms of documents that we have reviewed; (iii) all statements as to factual matters that are contained in the Registration Statement and the Prospectus Supplement (including the exhibits thereto) are accurate and complete; (iv) the Company will sell and issue the Shares in accordance with the manner described in the Prospectus Supplement and in accordance with the terms and conditions of the Agreements; and (v) with respect to documents that we have reviewed in connection with this opinion letter, all documents submitted to us as originals are authentic, all documents submitted to us as certified, facsimile or photostatic copies conform to the originals of such documents, all such original documents are authentic, the signatures on all documents are genuine, and all natural persons who have executed any of the documents have the legal capacity to do so.

Based on and subject to the foregoing, we are of the opinion that the issuance of the Shares has been duly authorized, and, upon due execution of the Agreements by the parties thereto, and upon issuance and delivery of the Shares against full payment therefor as provided in the Agreements, the Shares will be validly issued, fully paid and nonassessable.

We express no opinion as to matters governed by laws of any jurisdiction other than the federal laws of the United States and the laws of the State of Florida. We neither express nor imply any obligation with respect to any other laws or the laws of any other jurisdiction or of the United States. For purposes of this opinion, we assume that the Shares will be issued in compliance with all applicable state securities or blue sky laws.

This opinion letter is provided for use solely in connection with the transactions contemplated by the Registration Statement, the Agreements, the Prospectus and the Prospectus Supplement, and may not be used, circulated, quoted or otherwise relied upon for any other purposes without our express written consent.

We assume no obligation to update or supplement this opinion letter if any applicable laws change after the date of this opinion letter or if we become aware after the date of this opinion letter of any facts, whether existing before or arising after the date hereof, that might change the opinions expressed above.

We hereby consent to the filing of this opinion letter with the Commission in connection with the filing of the Prospectus Supplement referred to above. We also hereby consent to the reference to our firm under the heading “Legal Matters” in the Prospectus Supplement. In giving this consent, we do not admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission issued thereunder.

Re: Certain United States Federal Income Tax Matters

Ladies and Gentlemen:

You have requested our opinion concerning certain United States federal income tax matters, in connection with the offer and sale from time to time of shares of common stock of the Company, par value \$0.01 per share (the “Common Stock”), having an aggregate offering price of up to \$150,000,000 (the “Shares”) pursuant to a prospectus supplement dated November 9, 2017 (the “Prospectus Supplement”) to a prospectus dated October 20, 2017, as amended through the date hereof, (the “Base Prospectus” and, together with the Prospectus Supplement, the “Prospectus”), as part of a registration statement on Form S-3ASR (File No. 333-221055) filed with the Securities and Exchange Commission on October 20, 2017, as amended through the date hereof and the several equity distribution agreements dated November 9, 2017 between the Company and each of SunTrust Robinson Humphrey, Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc., BNP Paribas Securities Corp., Fifth Third Securities, Inc., HSBC Securities (USA) Inc. and J.P. Morgan Securities LLC as sales agents, respectively (each, an “Equity Distribution Agreement”). We have acted as United States federal income tax counsel to The GEO Group, Inc. (“GEO,” “you,” or “Our Client”) in connection with the preparation of the Prospectus Supplement. The delivery of this letter is not intended to create, nor shall it create, an attorney client relationship with any party except Our Client.

In connection with this opinion, we have examined originals or copies, certified or otherwise identified to our satisfaction, of the Prospectus Supplement; and such other documents, certificates and records as we have deemed necessary or appropriate as a basis for the opinion set forth herein.

In addition, you have provided us with, and we are relying upon, a certificate containing certain factual statements, factual representations and covenants of officers of GEO (the "Officers' Certificate") relating to, among other things, the actual and proposed operations of GEO and the entities in which it holds, or has held, a direct or indirect interest (collectively, the "Company"). These representations and covenants relate, in some cases, to transactions and investments for which we did not act as the Company's primary counsel. In particular, we note that the Company may engage in transactions in which we have not provided legal advice, and have not reviewed, and of which we may be unaware. For purposes of our opinion, we have not independently verified all of the facts, statements, representations and covenants set forth in the Officers' Certificate, the Prospectus Supplement, or in any other document. We have, consequently, assumed and relied on your representation that the statements, representations and covenants contained in the Officers' Certificate, the Prospectus Supplement, and other documents, or otherwise furnished to us, accurately and completely describe all material facts relevant to our opinion. We have assumed that such facts, statements, representations and covenants are true without regard to any qualification as to knowledge, belief, intent or materiality. Our opinion is conditioned on the continuing accuracy and completeness of such facts, statements, representations and covenants. We are not aware of any facts inconsistent with such statements, representations and covenants. Any material change or inaccuracy in the facts referred to, set forth or assumed herein or in the Officers' Certificate, including the correctness of any such prior legal opinion, may affect our conclusions set forth herein.

In our review of certain documents in connection with our opinion as expressed below, we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed, photostatic or electronic copies, and the authenticity of the originals of such copies. Where documents have been provided to us in draft form, we have assumed that the final executed versions of such documents will not differ materially from such drafts.

Our opinion is also based on the correctness of the following assumptions: (i) GEO and each of the entities comprising the Company has been and will continue to be operated in accordance with the laws of the jurisdiction in which it was formed and in the manner described in the relevant organizational documents, (ii) there will be no changes in the applicable laws of the State of Florida or of any other jurisdiction under the laws of which any of the entities comprising the Company have been formed and (iii) each of the written agreements to which the Company is a party has been and will be implemented, construed and enforced in accordance with its terms.

In rendering our opinion, we have considered and relied upon the Internal Revenue Code of 1986, as amended (the "Code"), the regulations promulgated thereunder ("Regulations"), administrative rulings and other interpretations of the Code and the Regulations by the courts and the Internal Revenue Service ("IRS"), all as they exist at the date hereof. It should be noted that the Code, Regulations, judicial decisions, and administrative interpretations are subject to change at any time and, in some circumstances, with retroactive effect. A material change that is made after the date hereof in any of the foregoing bases for our opinion could affect our conclusions set forth herein. There can be no assurance, moreover, that our opinion will be accepted by the IRS or, if challenged, by a court.

Based on and subject to the foregoing, we are of the opinion that, commencing with GEO's taxable year ended on December 31, 2013, GEO has been organized and operated in conformity with the requirements for qualification as a REIT under the Code, and its actual method of operation through the date of this letter has enabled, and its proposed method of operation will continue to enable, it to meet the requirements for qualification and taxation as a REIT under the Code thereafter.

As noted in the Prospectus Supplement, GEO's qualification and taxation as a REIT depend upon its ability to meet, through actual operating results, certain requirements relating to the sources of its income, the nature of its assets, distribution levels and diversity of stock ownership, and various other qualification tests imposed under the Code, the results of which are not reviewed by us. Accordingly, no assurance can be given that the actual results of GEO's operation for any one taxable year will satisfy the requirements for taxation as a REIT under the Code.

This opinion is furnished to you in connection with the Prospectus Supplement. This opinion may not be relied upon by anyone else without our prior written consent. We consent to the filing of this opinion as an exhibit to the Prospectus Supplement. We also hereby consent to the reference to our firm under

the headings “Taxation of The GEO Group, Inc.” and “Legal Matters” in the Prospectus Supplement. In giving these consents, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules and regulations of the Securities and Exchange Commission.

Except as set forth above, we express no other opinion. This opinion is expressed as of the date hereof, and we are under no obligation to supplement or revise our opinion to reflect any legal developments or factual matters arising subsequent to the date hereof, or the impact of any information, document, certificate, record, statement, representation, covenant or assumption relied upon herein that becomes incorrect or untrue.

Very truly yours,

Skadden, Arps, Slate, Meagher & Flom LLP
