BOCA RATON, Fla.--(BUSINESS WIRE)--Apr. 18, 2024-- **The GEO Group (NYSE: GEO)** ("GEO" or the "Company") announced today that it has closed a private offering of \$1.275 billion aggregate principal amount of senior notes, comprised of \$650.0 million aggregate principal amount of 8.625% senior secured notes due 2029 (the "Secured Notes") and \$625.0 million aggregate principal amount of 10.25% senior unsecured notes due 2031 (the "Unsecured Notes" and, together with the Secured Notes, the "Notes"), exempt from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"). The Notes are guaranteed by GEO's domestic subsidiaries that are guarantors under a new senior secured credit facility and outstanding senior notes. GEO also announced today that it has closed a new five-year \$450.0 million Term Loan B (the "Term Loan"), bearing interest at SOFR plus 5.25%, under a new \$760.0 million senior secured credit facility. The new senior secured credit facility also includes a five-year revolving line of credit for \$310.0 million.

The offering of the Notes and the new Term Loan resulted in net proceeds of approximately \$1.67 billion, after deducting the initial purchasers' discount and estimated expenses payable by GEO. GEO intends to use the net proceeds of the offering of the Notes, borrowings under the new Term Loan, and cash on hand to refinance approximately \$1.5 billion of existing indebtedness, including to fund the repurchase, redemption or other discharge of the Company's existing Tranche 1 Term Loan and Tranche 2 Term Loan under its prior senior credit facility, the 9.50% senior second lien secured notes, the 10.50% senior second lien secured notes, and the 6.00% senior notes due 2026, to pay related premiums, transaction fees and expenses, and for general corporate purposes of the Company. GEO also intends to retire or settle a portion of the 6.50% exchangeable senior notes due 2026 issued by GEO Corrections Holdings, Inc., using shares of GEO common stock and cash. GEO expects to fund the cash portion of the retirement or settlement, which is expected to total up to \$177.1 million, using a combination of the net proceeds from the offering of the Notes and cash on hand. Nothing in this press release should be construed as an offer to purchase, notice of redemption or a solicitation of an offer to purchase any of the existing term loans or notes.

The Notes were offered and sold in the United States only to persons reasonably believed to be "qualified institutional buyers" pursuant to Rule 144A under the Securities Act, and outside the United States only to non-U.S. persons pursuant to Regulation S under the Securities Act. The Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements under the Securities Act and applicable state laws. This news release does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Notes in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
