

The GEO Group Awarded Contract by U.S. Immigration and Customs Enforcement for Continued Provision of Services Under Intensive Supervision Appearance Program

September 30, 2025 8:15 PM EDT

BOCA RATON, Fla.--(BUSINESS WIRE)--Sep. 30, 2025-- **The GEO Group, Inc. (NYSE: GEO)** ("GEO" or the "Company") announced today that its wholly-owned subsidiary, BI Incorporated ("BI"), has been awarded a contract by U.S. Immigration and Customs Enforcement ("ICE") for the continued provision of electronic monitoring, case management, and supervision services under the Intensive Supervision Appearance Program ("ISAP"). It is a two-year contract, which will have an initial term of one year, effective October 1, 2025, with an additional one-year option period.

BI has provided technology solutions, holistic case management, supervision, monitoring, and compliance services under the ISAP contract for over 21 years and has achieved high levels of compliance using a wide range of technologies and case management services over that time.

George C. Zoley, Executive Chairman of GEO, said, "We appreciate the confidence that ICE has placed in our company. We believe this important contract award is a testament to the high-quality electronic monitoring and case management services BI has consistently delivered under the ISAP contract through a nationwide network of approximately 100 offices and close to 1,000 employees."

About The GEO Group

The GEO Group, Inc. (NYSE: GEO) is a leading diversified government service provider, specializing in design, financing, development, and support services for secure facilities, processing centers, and community reentry centers in the United States, Australia, South Africa, and the United Kingdom. GEO's diversified services include enhanced in-custody rehabilitation and post-release support through the award-winning GEO Continuum of Care®, secure transportation, electronic monitoring, community-based programs, and correctional health and mental health care. GEO's worldwide operations include the ownership and/or delivery of support services for 97 facilities totaling approximately 74,000 beds, including idle facilities and projects under development, with a workforce of up to approximately 20,000 employees.

Use of forward-looking statements

This news release may contain "forward-looking statements" within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and the U.S. Private Securities Litigation Reform Act of 1995. Readers are cautioned not to place undue reliance on these forward-looking statements and any such forward-looking statements are qualified in their entirety by reference to the cautionary statements and risk factors contained in GEO's filings with the U.S. Securities and Exchange Commission including its Form 10-K, 10-Q and 8-K reports. All forward-looking statements speak only as of the date of this news release and are based on current expectations and involve a number of assumptions, risks and uncertainties that could cause the actual results to differ materially from such forward-looking statements. Readers are strongly encouraged to read the full cautionary statements and risk factors contained in GEO's filings with the U.S. Securities and Exchange Commission, including those referenced above.
