November 23, 2020 11:55 AM EST

BOCA RATON, Fla.--(BUSINESS WIRE)-- **The GEO Group, Inc. (NYSE: GEO)** ("GEO") announced today that the Federal Bureau of Prisons has decided to not rebid the contract for the company-owned, 1,450-bed Rivers Correctional Facility in North Carolina, which is set to expire on March 31, 2021. The contract for the Rivers Correctional Facility generated approximately \$43 million in annualized revenues for GEO. GEO expects to market the Rivers Correctional Facility to other federal and state agencies.

George C. Zoley, Chairman and Chief Executive Officer of GEO, said, "We have operated the Rivers Correctional Facility under a public-private partnership with the Federal Bureau of Prisons for 20 years. Over the last two decades, our employees have delivered high quality services, helping Washington D.C. residents at the Rivers Correctional Facility achieve successful rehabilitation and community reentry outcomes. Federal prison populations in the United States have experienced a decline, more recently as a result of the COVID-19 pandemic. We expect to market the Rivers Correctional Facility to other federal and state agencies."

In an effort to enhance the community support services for Washington D.C. residents housed at the Rivers Correctional Facility, GEO established *Reentry Success D.C.* in collaboration with the National Federation of Federal Employees (an affiliate of the International Association of Machinists and Aerospace Workers). The program enhances GEO's pre- and post-release services by connecting returning citizens to gainful employment. *Reentry Success D.C.* is available to every GEO Continuum of Care participant at the Rivers Correctional Facility, who is returning to Washington D.C. upon release.
