Explanation of Responses:

- The Reporting Person received an initial grant of 12,175 shares of restricted stock on April 1, 2026, pursuant to his Executive Employment Agreement. 50% of the award consists of time-based restricted stock and 50% of the award consists of performance-based restricted stock.
- This reflects the time-based restricted stock which one-third will vest each year on the anniversary grant date over a three year period.
- This grant of restricted stock of The GEO Group, Inc. shall vest upon the attainment of certain performance goals in accordance with the terms of the Company's equity compensation plan. Vesting of the performance-based restricted stock of GEO is contingent upon the achievement by GEO of certain performance-based metrics during the period from January 1, 2026 to December 31, 2028 as certified by the compensation committee. Of the grant of performance-based restricted stock, 50% is subject to vesting based on certain return on capital employed performance goals being met and 50% is subject to vesting based on GEO's total shareholder return. Both portions of the restricted stock award will vest one-third each year over a three-year period to the extent the performance goals are achieved.
