## **Section 8 — Other Events**

### **Item 8.01. Other Events.**

On July 17, 2007, The GEO Group, Inc. (“GEO”) announced that the recently adopted Rule 10b-5-1 insider trading plan (the “Trading Plan”) of Wayne H. Calabrese, its Vice Chairman, President and Chief Operating Officer, has been terminated by Mr. Calabrese. The Trading Plan, which took effect at the beginning of July 2007, initially provided for the potential sale by Mr. Calabrese of up to 540,000 shares of GEO common stock over an 18-month period in equal monthly 30,000 share increments. Of the 540,000 shares covered by the Trading Plan, only 30,000 shares have been sold to date. Because the Trading Plan requires 30 days’ advance written notice of a termination, the effective termination date of the Trading Plan will be August 16, 2007. Under the terms of the Trading Plan, a maximum of up to 30,000 additional shares may be sold by Mr. Calabrese prior to the effective termination date of August 16<sup>th</sup>. Following the August 16<sup>th</sup> termination date, no further sales will be made under the Trading Plan.

The Trading Plan was publicly disclosed in a recent Form 144 filing with the Securities and Exchange Commission made by Mr. Calabrese’s broker. The Form 144 filing referenced the total number of shares of GEO common stock covered by the Trading Plan but did not specifically clarify that the Trading Plan provided for the sale of the shares in monthly increments of 30,000 shares over an 18-month period, subject to certain parameters.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
