## **Section 8 – Other Events**

### **Item 8.01. Other Events**

On January 1, 2006, GEO Care, Inc., a Florida corporation (the “Company”) and a wholly-owned subsidiary of The GEO Group, Inc. (“GEO”), completed the previously announced sale (the “Sale”) of Atlantic Shores Hospital, the Company’s private psychiatric care facility located in Ft. Lauderdale, Florida (“the Facility”), for a purchase price of \$11.5 million in cash (the “Purchase Price”).

The Sale was completed pursuant to the terms of an Asset Purchase Agreement (the “Agreement”), dated December 9, 2005, with Atlantic Shores Hospital, LLC, a Delaware limited liability company (the “Buyer”), and a wholly-owned subsidiary of Psychiatric Solutions, Inc. (“PSI”).

Pursuant to the Agreement, the Buyer will assume substantially all of the liabilities relating to the Facility post-closing. The Buyer and PSI, on the one hand, and the Company and GEO, on the other hand, are liable to each other for any breaches of their representations, warranties or covenants contained in the Agreement, up to a maximum amount equal to the Purchase Price. In addition, the Company will be subject to a non-compete covenant which will generally prevent the Company from operating, developing, managing or owning a behavioral health facility within the Florida counties of Miami-Dade and Broward (the “Restricted Territory”) for a period of three years. There are certain exceptions to the non-compete covenant set forth in the Agreement, including an exception which enables the Company to own, manage, or otherwise operate a behavioral health facility within the Restricted Territory during the three-year period pursuant to a contract, subcontract, lease, or arrangement with, or on behalf of, any Governmental Authority (as defined in the Agreement).
